Shed Meeting 16 January – 6pm

What better way to start the new year than with pizza and fellowship at the Shed on Linde! Pizza comes in all shapes, sizes and types these days, so don't think your dietary needs might preclude you, anything and everything is possible.

Let secretary Wendy know by return email and she'll ensure your or your partner's special needs are accommodated.

Come at 6:00pm, we'll eat first then as the night advances Rotarian Adrian Esterman will give us insights to the man behind the badge.

You're welcome to bring your preferred tippie and we won't charge corkage...

Blokes' Kitchen Report

The fifth session of the Blokes' Kitchen was run as a Christmas barbeque - a happy and fun morning.

All were involved in making shashliks, meat patties, a salad with a tasty dressing, and a sherry trifle.

Everything was prepared, eaten and cleaned up in record time, a sign of the group's efficiency.

Each bloke and helper received a fridge thermometer, a card, and a draft outline of next year's program from Romaine, and a Christmas favour from Darien.

The kitchen has been booked for a monthly visit until June 2024, and we have 2 places available.

If you know anyone who might be interested, please have them phone Chris on 0432920964.

Ready to barbeque

Thank you Margaret

We wish to say a big Thank you to customer Margaret who made a sizable donation to the Shed in December. The Club is very appreciative of your generosity.

Trinity Gardens School

Stephanie Alexander School Kitchen Project

2022-23 The Club partnered in a District Grant with the Rotary Club of Burnside to deliver equipment to the proposed SAK garden.

In 2023-24 the school reached out for further assistance having a shortfall in funding of \$35,000, whilst we were not in the position to meet the shortfall, we did agree to see what funding could be available through Rotary international Grants and those offered through other districts. This saw us lodge an application with the Rotary Club of Balwyn who offer grants to other clubs across the zone. Unfortunately, in December we were informed our application was unsuccessful.

The status of the kitchen/Garden was reviewed by the Community Committee and a motion was put to the Club and Board to support a one off grant of \$15,000 to fund the infrastructure required to ensure the garden was viable.

The photo depicts the presentation of the cheque by Community Director David Birkedale, Secretary Wendy Gaborit to Principal Brenton Conradi.

“Thank you for your fabulous support for Trinity Gardens School during 2023.

Kind regards”

Brenton Conradi
