Report of Meeting 3311 held on Tuesday 26 March at the Glenunga Croquet Club

Immediate Past President Pam Vaughton welcomed all especially our Croquet Tutors – Margaret and team from the Glenunga Croquet Club. Also Cathy Martin – guest of Ann McIntosh, and Peter and Lisa Shaw, our wonderful Shed Volunteers. We were also delighted Rotary partners Joan Shaw and Trenna Kretschmer could come along.

Acting President’s Announcements: Special thanks to Chris and Romaine for organising the night. This is our fourth Annual Croquet event. The weather was perfect and the whole evening a very pleasant event.

New look bulletins

The club board has decided to trial publishing two unique bulletins.

Between May and November 2024, all the people on our current distribution list will receive a special monthly edition, which will feature club projects and reports about guest speakers.

Members, partners, volunteers, District officials and anyone else who requests it, will receive a weekly issue which will include rosters and information about club activities.

We will welcome comments from anyone about this trial.

Thank you so much... From Treasure Boxes

Last week our Treasure Box goodies were collected.

A great big thank you to us from Treasure boxes... especially for the linen.

If you know someone who is having an Easter tidy up of children's shoes, toys, clothes etc – see list below- please tell them about treasure boxes and our large collection box in our goods processing area.

From Treasure Boxes "After last Saturday morning we would like to send this list of items Trish can collect for Treasure Boxes. We don't have the capacity in the car to take large items.

The bag we received which contained baby blankets was perfect.

Also, on the item list from Treasure Boxes at the bottom states that the prams, carry cots etc need to be less than 8 years old and in good condition. Highchairs – 3- or 5-point harness and Change tables – 100mm high roll off at the top.

Trish is very grateful for the items you save for collections. It is the larger items that are not suitable for Trish."

Blokes' Kitchen

In the eighth session the Blokes prepared an easy green chicken curry with flat bread and rice, and a tasty side dish was demonstrated.

Now that the blokes are more experienced, while following the same basic curry recipe they had the option of making additions to the recipe if they wished, such as extra vegetables or garlic.

Again, with the flatbread, some chose to add mixed herbs or oregano.
Again, garlic was a favourite seasoning.

Making the flatbread was particularly enjoyable (and messy) as we mixed, kneaded, cut the dough into 8, and rolled back and forth until very thin discs of dough developed.

It was lovely to see it rising and browning in the frypan.

When we sat down to eat, the meal was very tasty, and this writer particularly enjoyed dipping the bread in the curry sauce – yum!

We discussed dishes we might learn to make for the final sessions of this learning to cook course. Some possible options included pancakes and even how to make a quiche.

Wait for session 9 and more fun.

Message from the Chair - Ian D'Arcy Walsh

ROMAC is extending its child health services across Australia and New Zealand. Recently, a 17-month-old patient from Solomon Islands received successful treatment for a serious spinal condition at the Women's and Children's Hospital in Adelaide. ... To manage this expanding service, we urgently require volunteers for our National, Regional, and District ROMAC committees. Currently, we have 16 National Committee volunteers and 60 to 80 Regional and District Committee members. We need more volunteers, especially those with skills in the following areas:

- Patient care and hosting;
- Communications, Media and IT systems;
- Medical especially in the Paediatric area;
- Fundraising, Club Involvement and Marketing;
- Hospital, Government and Corporate sector liaison.
- Treasurer and Secretary roles

Your involvement will greatly contribute to our goal of treating at least 30 children annually.

If you are at all interested or would like to know more, please email our HR Manager, Jim Prokhovnik, at hr@romac.org.au or call him on 0417355627.

Central Region Reported by Elizabeth Davis

Stanric's medical treatment in Adelaide was a success, much to the delight of the Central Region Committee. He and his mother, Seraphina, left Adelaide in early March. His departure was marked with a celebration. The Committee extends gratitude for the overwhelming support received. A community event in Prospect took place before his departure to acknowledge this. Attendees included members from Burnside, Unley, and Walkerville Rotary Clubs, as well as the Solomon Island community in Adelaide.

Pictured : Stanric's farewell party with Rotarians from Clubs of Burnside, Unley, and Walkerville and the Solomon Island community.

Member News – Dennis Henschke

The Club sends its very best wishes to Dennis Henschke who has broken his wrist and has a lacerated left elbow. He was due for surgery on Tuesday. We wish Dennis a speedy recovery.

Member News – Alberto Curiel

“I'm taking part of a charity walk. I participated in it last year too and found it to be a great experience. This is done to help men with mental health issues and I feel quite strongly about it. They have built a donation page for each participant this year, and if anyone in the club wants to contribute, that'd be great. Here's the link:”
