- Volunteers Lunch – Friday 14 June 11.30 for 12.00 at the Shed.

Guest Speaker - Phil Smith Town Planner (Retired)

Rotarian Bruce Ballantyne (town planner retired) introduced Phil Smith

Phil is recently retired with over 40 years work as a professional planner. Phil worked for the State Planning Department for 34 years – specializing in planning legislation – and environmental, economic and social impact assessment on large development projects across the State.

After leaving the State Government Phil served as a member of 3 metropolitan and one country Council assessment panels, including for the Norwood Payneham and St Peters Council. In this role Phil made decisions on many complex and often controversial development proposals coming before the Panels.

Phil spoke of many aspects of planning.

Topics included

- managing development
- infrastructure
- housing demand
- environmental impact
- subdivision

Authorities need to protect

- water quality
- food production
- significant trees
- cost of housing
- energy efficiency
- zoning laws
- heritage

There were many questions for Phil who was an entertaining informative speaker.

Rotarian Phil Smith gave the Vote of Thanks.

Jim, Bruce and the two Phil Smiths

*President Jim Invites Rotarians and their Partners to
a*

*Scottish Night on Tuesday 4th June 2024
5.45 for a 6.15pm start (\$20.00 per head).*

Members Minutes

Phil Smith – Shed Report

Phil reported on a pretty good morning at the Shed on Saturday.

Brian Kretschmer - Music Night –

We had a very successful Music Night last Tuesday 14th May, at St Johns Anglican Church, Halifax Street, Adelaide. There were 11 students on the night across 7 schools. Loretto College, St Peters College, Norwood International, Prince Alfred College, Mary MacKillop School, St Peters Girls School, and Marryatville High School. The night started at 6:30 pm and performances started by around 6:40pm and concluded before 8pm. President Jim opened the meeting and then Mary-Anne Hannay and Brian Kretschmer asked students in order to come up for their performance.

We also asked several of our club members and President Jim to introduce some of the students.

The response after from teachers, parents and students was very positive and schools said they would return again next year.

Lots of students and teachers and parents then took photos on the main stage after the event.

I would like to thank President Jim, David Heilbronn, Keith Payne, Sonia Schepetiuk, for their input on the night and also for all the input in setting up the students and discussions with the schools – especially Mary-Anne Hannay. Thank you so much Mary-Anne

Wendy Gaborit - Changeover

30 June Mt Osmond Golf Club

When purchasing tickets check couples or singles sales

Wendy Gaborit -ROMAC

ROMAC (Rotary Oceania Medical Aid for Children) is a Multi-District Organisation within Rotary. ROMAC exists to facilitate the provision of life-saving and dignity restoring surgery for children in the Oceania region. ROMAC is looking to fill two significant vacancies:-

- Operations Director, and
- HR, Training and Recruitment Chair.

Members are asked to consider applying for these two positions.

Further information can be supplied by Secretary Wendy and will be published in the monthly Newsletter due out near the beginning of June.

Keith Shaw – Trinity Gardens Kitchen Garden Program

Keith reported on the Club visit to the school. Two students were especially helpful in escorting our Club visitors through the setup. School parents and teachers are running a wonderful program at Trinity Gardens Primary School. This is a very worthwhile program in the eyes of Rotarians from our Club.

Blokes' Kitchen

At the 10th and final session of the 2023-24 Blokes' Kitchen each Bloke made a quiche (yes, these real men do eat quiche!) and in pairs prepared pancakes. The quiche preparation allowed for an interpretation of the basic recipe, with varying amounts of ham, cheese, corn, and onion in them. One Bloke made a vegetarian quiche.

Darien and Alan beating the mixture

While the quiches were cooking, we sat down to eat our pancakes with strawberries, banana, and whipped cream. As usual, Romaine's suggestions outlined other ways this basic pancake mix could be used to prepare different sweet (e.g. lemon juice and sugar) or savoury (e.g. maple syrup and bacon) pancakes suitable for dessert or breakfast.

One luscious, rolled pancake dessert

Blokes' Kitchen (cont.)

Once the quiches were cooked and cooled, each Bloke took his home. One Bloke was going to share his with his daughter, and another to provide his wife and himself with their evening meal.

Finally, each Bloke completed a written evaluation of the course, and all would like to continue into further sessions.

A discussion with NPSP Council representatives has indicated that they will provide the kitchen again at no cost - in addition they will be advertising the possibility of a new series in their current e-newsletter.

It has been immensely pleasing to see the progress made by every Bloke during these sessions. Also pleasing has been the way in which a group of blokes, not known to each other, has developed into a coherent group of mates working together and having fun in the process.

Many thanks are due to Romaine for her hard work, to the NPSP Council for the venue, and to our excellent helpers Angela, Barbie and Jayne for their assistance, patience and understanding.

Chris Dawson

Apologies

Bill Winslow, Paul Holton
