Committees – Directors are recruiting committee members for year 2020-21 so please volunteer to one of the following –

Fundraising	David Heilbronn
International	Phil Smith
Community	David Birkedale
Vocational/Youth Services	Romaine Dawson

Fundraising Committee 2020-21 – *David Heilbronn*

The Fundraising Committee currently consists of David Heilbronn (Chair), Rod Carey, John Reynolds and Sue Bardy.

- I will schedule a meeting monthly to follow a regular Club Meeting (when they resume)
- Major short-term issue is to encourage members to volunteer on Saturdays
- Jen Carey has volunteered to keep the roster going but (say) two other members have to be trained to provide back-up
- Pricing and price reduction will be controlled by policy rather than ad-hoc so this has to be addressed
- The Committee has to keep on top of Covid-19 protocols as they evolve
- Above all the Club needs to recover the 25% lost so far due to Covid-19 and plans have to be developed to do this

To address these issues, I need a couple more members on the Committee. Please give it consideration as the other Committees need us to provide the \$.

President Elect *Bill Winslow* – Changeover on Tuesday 30th June

During the meeting Bill said the changeover will be held at a particular venue, however he is now negotiating a change.

The **District Assembly** is being held via Zoom and all Rotarians, not just office holders, have a good opportunity to participate without the need to travel. There are still a couple of sessions to go.

Editor's Note – There have been several updates recently to the Zoom Apps. Please make sure you keep your Zoom app up to date.

Zoom tip - When wanting to talk during a Zoom session, it is not always evident that your microphone is working and your voice is being heard by others.

However, you can check that by observing the microphone icon on the bottom left hand corner and when you talk it should flash in green.
