Weekly Meetings - The Rotary Club of St Peters meets on Tuesdays at 6:00 PM at the Kensington Hotel, 23 Regent St., Kensington, S.A. 5068. Visitors are welcome.

A New Rotary Year and a New District

This bulletin marks a new era. Firstly, our Club has changed to a new Rotary year with the induction of Bill Winslow as Club President for year 2020-21.

This new look bulletin reflects the changes to the Club and the Club website has been updated as well.

Secondly, we leave behind District 9520 and have now become part of Rotary District 9510 with David Jones as the inaugural District Governor.

It will take us a while to adjust to the fact that we are now part of a Rotary District that also encompasses the northern metropolitan area of Adelaide, northern and western South Australia and also Alice Springs in the Northern Territory.

There is a new District 9510 website, however it will take some time for this and other aspects of the new District to be fully implemented - <https://www.rotary9510.org>

Coming Events

Sunday 5th July - D9510 Launch & District Changeover available via Zoom.

Tuesday 7th July - Next Club meeting 3139 to be held via Zoom (not at the Kensington Hotel).

Report of Changeover Meeting 3138 held on 30th June at the San Giorgio Club.

How pleased we all were to have a face to face event.

Members and guests mingled at the San Giorgio Centre with smiles and delight.

The Premier's Office phoned to confirm Parliament had a late sitting and conveying Steven Marshall's apologies. He asked we keep in touch for such special occasions.

Chairman Arthur Manser called the assembled crowd to attention and the formalities began.

The antipasto was delicious as we welcomed the official guests:

District Governor Tim Klar and Bronwyn
District Governor Elect David Jones and Lyn
District Governor Nominee Jeff Neale and Jenny
Also 9520 guests from neighbouring Clubs
President Elect RC Campbelltown Vince Belperio and Debra
President Elect RC Morialta David Koetsier and Sabrina
President Elect RC Tea Tree Gully Roy Whalley and Joy
Helen Charles from District Grants Committee
Paul Holton and Neil Portlock

AG and PP Brian Kretschmer proposed the toast to Rotary International.

The response was given by DG Tim Klar.

The pasta dish was also delicious.

Rotarian David Strange was called to the podium (to his surprise!) to receive a well- deserved District Award for his work on the Solar Panels in Sierra Leone Project.

President John George summarised his very successful Rotary Year.

Highlights were mentioned including the wonderful Music for Dementia Program being led by John Seeliger.

Our very active Program Manager Shirley Manser was praised, as was Arthur Manser, Brian Kretschmer and Pam Vaughton.

All Directors and Members were acknowledged as contributing to this vibrant Club.

The Rotary Shed continues to be our major fundraiser. All Shed volunteers and workers are a wonderful part of this valued community entity.

The President's collar was graciously handed over to Bill Winslow and Bill outlined his priorities for the coming year.

Bill introduced his new Board. Each member received an official pin this year, as did the Immediate Past President.

Main Course was enjoyed as the new banner Rotary Opens Opportunities was displayed.

Gifts were made and yet another course of continental cakes appeared. Rotarians and guests stayed on for coffee after an extremely enjoyable 62nd Changeover.

Thanks to Pam Vaughton for this report and to David Birkedale for the photos.

**Rotary Clubs support Helping SA Farmers Inc. with drought relief
in Upper North of South Australia.**

The Rotary Clubs of Port Pirie, Mawson Lakes, Burnside, Campbelltown and St Peters have provided a total of \$25,000 to purchase much needed hay to Farmers and Pastoralists in the upper North of South Australia at Yunta.

This is in conjunction with Helping SA Farmers Inc. who have arranged for the purchase of hay and arranged the semi-trailers to be loaded at Roseworthy and then the long trip to Yunta. The drivers of the semi-trailers have donated their time and fuel for the trucks has been co-ordinated by the Helping SA Farmers Inc.

The semi-Trailers will deliver the Hay to Yunta on Saturday 11 July where the rolls of hay will be unloaded by volunteers and then distributed to farming families who are still in drought and are trying to keep their livestock alive.

Total 240 Rolls - Hay Roll weights 400kg & 350kg -
88 tonnes of Wheaton and Oaten Hay
7 Prime movers 100% donated - 1 prime mover
\$500 fuel - paid by Helping SA Farmers Inc (HSAF).

There will be a BBQ lunch proved by the local Yunta community after the semitrailers arrive at Yunta and the hay is then allocated to the farming families in Yunta. The hay will then be taken to the stations to help keep livestock alive on the 12 to 16 properties contacted by Elders at Peterborough.

Rotary raised the Drought relief funds in a national appeal from the public and have been working with Rotary Clubs to help farmers in their need to get through the drought. It is much appreciated that the Rotary clubs haven't forgotten about the Drought affected Farming community.

Rotarians working with Helping SA farmers have given hope to those who need help in the Drought affected areas of South Australia.

Shed Opening Appreciated

The Shed was well patronised on the second week since the closure ended. It has certainly become evident that the Shed serves the Community in several ways – Accepting surplus goods, providing goods at affordable prices and as a local social hub, especially for the dog owners. There are few better ways that Rotarians can serve their Community.

The Bulletin - All items for the bulletin need to be submitted to the editor electronically by each Wednesday night. Editor: *Keith Payne* gkpaynerotary@gmail.com
