In conjunction with the Echunga Recreation Grounds Committee and Rotary Clubs in the area are holding the rescheduled\* Hills Small Acreage Field Days at Echunga on 24/25 September 2022.

This event has been designed to bring together in one location the products and services with broad appeal to residents of towns and villages in the district and in particular the more than 6,000 families who live on small acreage.

The Hills Small Acreage Field Days will provide information on the latest equipment, the services that are available and products to help residents enjoy the non-urban lifestyle.
