

Dear Community Leader:

Subject: Support Needed for Rotary Club of Aledo's Peace and Pollinator Garden Project

I hope this letter finds you well. I am writing to you on behalf of the Rotary Club of Aledo to seek your generous support for our upcoming community project, the Peace and Pollinator Garden. Our club is a 501(c)(3) nonprofit organization dedicated to making a positive impact in our local community through various initiatives, and we are excited to embark on this endeavor to create a serene and educational space for our Parker County residents.

The Peace and Pollinator Garden project aims to establish a beautiful and sustainable garden area within our community that serves a dual purpose. It will not only provide a peaceful and reflective environment for our residents but will also play a crucial role in promoting and preserving our local pollinator species and their habitats.

To bring this vision to life, we are seeking financial contributions to cover the costs associated with the project. Your support will directly contribute to the purchase of essential elements, including a prominent peace pole that will stand as a symbol of unity and harmony, informative signage to educate visitors about the importance of pollinators, a diverse selection of pollinator-friendly plants, aesthetically pleasing rocks to enhance the garden's aesthetics, and comfortable seating for visitors to enjoy the tranquility of the space.

As a valued member of our community, your partnership in this endeavor would not only help beautify our town but also make a lasting positive impact on the environment and the lives of our residents. Your donation will be recognized prominently within the garden and in our promotional materials, showcasing your commitment to community betterment.

We understand that businesses receive numerous requests for support, and we genuinely appreciate your consideration of our request. Every contribution, regardless of size, will play an integral role in making the Peace and Pollinator Garden project a reality.

If you have any questions or would like further information about our project, please feel free to contact me at drkellabprice@gmail.com or 252-622-8119. We would be more than happy to provide you with additional details and discuss the various sponsorship opportunities available.

Thank you for your time, consideration, and potential support. Together, we can create a lasting legacy of peace, beauty, and environmental stewardship in our community.

Sincerely,

Kella Price
