Keith's Korner

In the past some service clubs, some now defunct, provided services for small projects, often involving individual people. As a newcomer to Rotary I have always held the view that Rotary may need to fill the gaps created by the passing of such clubs and to involve themselves in such projects. Recently an opportunity to assist in one of these situations arose and a group of us were willing to help. As it transpired we did not have the resources to assist but two things stemmed from that.

First if you know of such a project or somebody who needs help please contact one of our Board Members and we will see if we are able to assist.

Secondly in investigating whether or not we could provide assistance in the recent instance Rod badly strained a calf muscle and is now on crutches. Our best wishes and our thanks go to him for his investigatory work on the possibility of carrying out the project.

Quiz Night

Topics – Numbers, Royals & Nobles, Elements, Dingbats, Birds & Animals, Harry Potter

We weren't all stupid after all. Interestingly though, the best scores were done on Harry Potter. Perhaps this was because of watching the Movies, reading and talking to grandchildren. The 'Old Fogies' did especially well helped by Jenna!

What a great night from Ken and offsider Sherida. Thank you very much.

We had eight teams consisting of members and a large number of visitors. Great four course meal organized by our trusty fellowship team.
