First a correction. It is in fact the RI President Elect who passed away.

Next week sees the visit from the District Governor. All Board members will meet with him at 5pm.

It is also Partners Night. I have been approached with regards my wishes for dress code. I do not believe it is my place to tell anybody how to dress but obviously it would be nice if everybody made an effort to spruce themselves up, not only for the District Governor but also for their partners.

Warren Patterson ran the garage sale last weekend. He tells me he has \$400 cash. He anticipates another \$200-\$300 from sales on Trade Me of items left over and will run another garage sale in approximately 4 weeks anticipating that the overall result will be in the order of \$1,000.00. Thanks go to all people who assisted with the garage sale but primarily to Warren who put in a huge effort.

All of these smaller fund raisers add up at the end of the day and I am reminded of the old saying *"Look after the pennies and the pounds will look after themselves"*.

On the same theme Steve Goldner has managed to negotiate extra barbecues at Pinehurst. These are very profitable during the netball season and I would encourage those of you who have not already volunteered to contact Steve and assist for a couple of hours on a Saturday morning.

President Keith
