5.30 for 6pm

**Tom Warren
GM Marinas Panuku
Development Auckland**

**Area of focus:
Economic and
Community
Development.**

Keith's Korner

A number of us attended a meeting hosted by Takapuna at the Milford Cruising Club on Monday night. Several clubs were in attendance and there was a good opportunity to mix and mingle. There was a real benefit in the fact that there was not a sit down meal as it meant that people were able to circulate and talk to a number of people rather than be confined to a table.

Devonport Rotary are running a Fine Homes Tour on Friday 27 October 2017 from 9.30am to 4.30pm. Tickets can be purchased at www.devonportrotary.co.nz/fht. It is important that we support other clubs in their endeavours.

Closer to home as I indicated in an earlier bulletin, the producers of Murder on the Orient Express have kindly given a number of charities the right to show the film in the day before it's general release. Our club has been given the job of co-ordinating ticket sales for the event.

The film showing will be on 8 November at 8pm at the Bridgeway Theatre. The admission price is \$25.00 which should yield a profit to the clubs of \$10.00 per head. Basically the majority of clubs on the North Shore are joining in this as a joint Polio Plus fundraiser.

I am seeking your support and will circulate a clipboard at the next meeting. We are aiming to sell at least 30 doubles. Browns Bay have committed to at least 90 single tickets so there is a good challenge for us to match or surpass their efforts.

Lilly, Beverley and guest speaker Julie

Last week's visit to a Takapuna Club/ alumni event. We were welcomed by the young Takapuna President who told us a little about her Rotary journey. She told us a about Rotary including Polio Plus and her club's involvement with Belmont intermediate, Hospice, the Well Foundation, Vanuatu, Romac and youth. Roz, another Takapuna Rotarian who is nearly 30 told us of her family's involvement with Rotary and how she joined Brown's Bay but when she joined Corrections she changed clubs to Takapuna as the time suited better. Four IYE boys told us where they were from and what they had done in their short time here. They were all looking forward to the South Island trip.

Young Rotarians/Alumni were reminded of their next catch-up. BackYard bar 26 October 6 30pm on.

Julie Chapman co-founder of KidsCan told us about their programs

- shoes for kids-allows participation
- food for kids – no lunch means many are kept home
- raincoats for kids
- health for kids .

Many of the families she deals with have at least one working parent and it has been estimated there is a \$7 billion cost to New Zealand for the worst health and education outcomes of the poor. They are now working with more than 600 schools and it is great to see the smile back on these children's faces. \$15 a month child sponsorship helps provide food, shoes, socks and toiletries.

She is hopeful the new government will use the social investment approach in early childhood education. She believes a new approach is needed if we are going to do anything about child poverty.

Vanuatu Projects Lead, [Lindsay Ford](#) and the Vanuatu Rotarians need our help with the major disaster unfolding in Ambae Island.

Please SHARE with your club members and on your club pages/website

[Port Vila Rotary](#) [Santo Rotary Club Vanuatu](#)

HELP the people of Ambae Island currently experiencing a major disaster.

A 'Dunkirk-style' operation is underway as thousands flee the island's volcano, which continues to erupt.

Funding is needed NOW in this desperate situation.

Vanuatu is part of Rotary District 9910 and we seek support from Rotary Clubs & Districts in New Zealand and Australia.

A suggested donation from clubs/districts of \$500 can assist with food, shelter and water. But whatever you can give is appreciated.

All funds received will be administered by the D9910 Vanuatu Project Committee via our three Rotary Clubs in Vanuatu. These Rotarians will ensure aid is applied as identified by those in need.
