Keith's Korner

It is with considerable regret that I need to advise you that Don Pratt has handed his resignation from Rotary. Don has been a member of Rotary for some 45 years and has given good and varied service to the cause over that time. His experience will be sadly missed.

And now a gripe! I have noticed that on committee meeting nights there is a decided drop-off in attendance. I can only conclude that this is to avoid attending committee meetings. What this means however is that the burden falls on those who attend who tend to be the same people all the time. This is a call to arms to get you to attend your committees.

I attended the Cluster Meeting of Presidents for North Shore Clubs on Wednesday morning. In order to encourage membership Takapuna and some other clubs have been instrumental in setting up a meeting of Rotary Alumni. It will be held on 2 October 2017 and they are seeking to have each club give 8 Alumni Members details and invite them to that meeting in order to reinvigorate their interest in Rotary. Other Rotary members are welcome to attend at the same time and further information as to times and so forth should be forthcoming shortly.

Pinehurst Rotary Interact Club

At a recent Kidzplay Netball Tournament, eight students, two parents and one teacher gave their time barbequing and selling sausages to help raise funds for Pinehurst Rotary Interact Club. Our goal was to raise funds to enable the continued sponsoring of two children living in Africa, with their educational and financial support. Pinehurst Rotary Interact Club would like to thank all who volunteered on a cold and wet Saturday. Your help was greatly appreciated.

ROMAC – ANGELINA & FEBRIANA

Carol accompanied Febriana to her medical follow up on Wednesday. Great News – she has been cleared to go home to Timor.

Flights are being arranged.

All of the volunteers have enjoyed supporting Angelina and Febriana through surgery and recovery, with the wonderful help from the Timorese students.
