Keith's Korner

A very pleasant evening at Chand Restaurant. These social occasions outside our normal club venues are, in my experience, most enjoyable and advance the fellowship of the club. Our thanks should go to Jim Mayo for his organisation.

It would seem that our ROMAC children are going to be with us over the Christmas period. This means that there will be a lot of down time for them and I urge those of you who can to contact our ROMAC representatives to see whether or not you can provide assistance over the Christmas period.

Do not forget the upcoming "Surprise Christmas Function". I am sure you will enjoy the secret venue.
