 Golf duty list attached.

Golf Day

Thursday

16 November

Keith's Korner

I hope all of those who went to the Movie Night enjoyed themselves. Sorry for any who missed out due to a miscommunication between AG Merv and the club but a fantastic selling job by you all. Thanks once again to my daughter Katherine and Robyn for their efforts.

I believe our ROMAC organisers could do with more help. If you can help please contact Carol. It is a very rewarding exercise seeing the way in which these poor mites are rejuvenated after their operations. A real before and after story.

President Keith.

\$2000 was raised at the film evening for Polio Plus which translates to \$6000 thanks to the Gates Foundation. It was great to meet other Rotarians and raise money.

Golf report – 29 teams, 12 hole sponsors and eight team prizes so far. Thanks to those who have provided baskets. Please bring any others on Monday. A corporate box package for the one-day cricket is a new option prize. Please see the duties list attached. Proceeds will go to two reclining chairs for those receiving Herceptin cancer treatment in the new cancer ward at North Shore Hospital.

Club AGM.

Pres Gary presented his report saying it had been a learning experience and was pleased that we kept the 40 members and three honorary members through the year. He thanked the club and especially the board members and Steve for his president's check list. The club continued to support Rotary Foundation and Polio Plus and as it was the Foundation's centennial year a further \$26.50 per member. The Club also supported Romac, Edgecome flood relief and a water project in Vanuatu. Thanks to Rod and Andrew (Well Foundation) and helpers a considerable sum was raised which allowed us to make a donation to the Well Foundation.

See Membership list for Julie's contacts.				

He thanked those involved in fellowship and in communications.

The Sunshine fund made some donations but still managed to leave plenty available. Hobsonville Point satellite club had difficulty attracting new members but progress is being made with contacts in the high school. This club was one of only two to receive a Presidential Citation. The annual accounts were received and accepted. Nominations for the board 2018-19 and presidential nominee 2019-20 are a work in progress.

As there was no other business the meeting closed.

A smile is contagious – be a carrier.
