

Keith's Korner

I was very heartened by last Monday's meeting. There was a good turnout but even more importantly the general spirit of the meeting indicated to me that the club is in good heart.

Don't forget to support Steve Goeldner with his theatre project.

There are still some tickets to be sold and I am sure he would be grateful for anybody who will take up the offer of those remaining seats.

The barbecue at Pinehurst yielded nearly \$700.00. This is a good return for little work, given that the barbecues are all set up and taken down by the organisers and it is only a matter of manning the barbecues and selling the sausages. We have two further barbeques coming up on 26 August and 9 September 2017.

Please contact Steve Goeldner and give a couple of hours of your time to raise valuable funds for the Club.

DG David presented David Charlesworth with a life membership of the club. David is a long time member, worker and supporter of our various club activities.

DG David had an interesting meeting with the directors and believed we had a very vibrant club. He showed us a video of the current RI President Ian Riseley (Aus) introducing his theme for the year "Rotary making a difference". He said the power of Rotary was in making a difference to those in need. We can do more together than you can do alone. He focused on three main issues

Support and strengthen clubs – looking at diversity and age.

Humanitarian service – see the six areas on the photo. Water projects did not just provide a water source but made sure it continued to run.

Enhance public image –web sites, social media and public events.

One worldwide project is to plant one tree per member this year.

DG David finished by saying we are united in our common goals and reminding us of the District Conference in Kerikeri in April 2018.

Parting thought- from JFK – Efforts and courage are not enough without purpose and direction.
