Changing the Outcome
 for Children in Care

Julie at Conference

Please note apologies to Gary for the next couple of weeks.

As I said at Monday's meeting I stand in awe of the passion and enthusiasm of many people who run various projects. This leads on to the fact that there are so many good projects out there which are under the auspices of Rotary that it makes it difficult to know exactly which one to fully support. Again this leads on to the fact that many of these projects would not happen were it not for Rotary Foundation. That being the case my plea to you is to support Rotary Foundation. There are a number of ways in which you can do this. Obviously joining the Centurions Club is one. They also have small collection boxes very similar to the old Barnados box which many of you would remember from your youth and into this can go your loose change and make a contribution to Foundation. Remember that this year we were awarded the cup for the most Rotary Foundation contributions of the District and it would be nice to repeat that again next year.

President Keith said he had

enjoyed conference and found three of the speakers illuminating.

Kelly Mumford was very impressive. She is a young woman severely injured and left with disabilities from a brain injury in a car crash at 21 yrs age. She is a presenter at the RYDA programme all over NZ.

Lea Vellenowethon on adventure racing-7 days with only 10 hours sleep! She is Dep Principal at Hobsonville Point Secondary School.

Pio Terei was excellent, humorous and philosophical with a serious message.

The Club received trophies for the International Youth Award and the Fortune Group Cup for donations to Foundation.

P G Peter received the Rotary Foundation Citation for Meritorious Service (only one per District).

Jamal from Bangladesh said they had been in the country since the start of February and had enjoyed the people and the countryside. They had also enjoyed the smaller conference compared with the 2000 at theirs. Bangladesh and New Zealand had good relations especially at cricket. They have 500 Rotary clubs for their 162 million people which includes 1 million Myanmar refugees. Rotary working locally and globally made impossible things possible. He

thanked New Zealand and the club for the support of an orphanage in his country. Our club and members provided 10 beds and there is a sign at the front door commemorating that. Photo shows the team presenting a banner to the Club.

Murray said that the next partners' night was on 30 April and would have a multicourse menu and a quiz evening. He hoped the trip to Whangamomona went well.

Monica had enjoyed her day at the Plunket food preparation course and it had been well received by the six mothers present. See photo.

Interact at Pinehurst will continue to supply clothes and shoes to the south Auckland school and support to orphans in Tanzania. Sharon who has been working in Nairobi is hoping to provide a similar service in Tanzania.

PE Jennifer had received a banner from Isabel Lambert (IYE lead person D5010 France) who visited the club recently. She had also sent some spare Kiwi money for the Sunshine fund. One of the Bangladeshi Rotarians won the raffle and then donated it to a member of the Whangarei Sunshine Club.
