Quiz Evening

Alex and Debbie  
Buckle, President  
Keith and Robyn.

Jenna and PG Peter attended the RYLA dinner. Our candidate was a lovely young man who will speak to us soon.

Debbie Buckle spoke to us about the Murray's Bay Intermediate School's cycling team which started with seven students last year. While raising money for kits Alex Buckle wrote to the club asking for help and we gave them \$500. They competed in the New Zealand cycling champs at Mt Wellington in atrocious weather. This year 11 members will travel to Cambridge and nine compete. Thanks very much ECB Rotary.

Debbie was a pediatric nurse and was asked to be a teacher aide at MB Primary for a young girl in a wheelchair with a brain injury. She agreed and has enjoyed it thoroughly. Music therapy run by Olly of Raukatauri Music Therapy Centre has been very beneficial. Five students met weekly for 45 minutes to make and enjoy music. Unfortunately this year there is no money and no room for the music. Debbie thanked the club for the support last year and said she was continuing to look for sponsors in the future. Helen Dunlop said that engaging with music helps these students in the classroom

Success in life is not about what cards you hold but how you play the cards

- Unfortunately we have not been able to offer music therapy yet this year as we have been unable to secure funding. I'm working on that!
- We are also losing the room in which we offer music therapy which is also a breakout zone for children who need somewhere quiet to destress. I have applied to various charities to fund a removable cabin to be put on the school grounds
