Keith's Korner

I trust that everybody had a relaxing and enjoyable Labour Weekend and that you all got your vegetable gardens in ready for those summer salads.

The main thrust of my comments this week is directed towards fundraising activities.

First and foremost is our primary fundraiser which is the golf tournament. Teams and prizes are still required as are hole sponsors.

Please do your best to assist Rod and his team.

The second fundraising event is the Polio Plus movie evening on 8 November at Bridgeway. I have been charged with coordinating ticket sales and I need thank both Robyn and my daughter Katherine for their assistance in organising and distributing tickets. I anticipate that although our club will meet the target set by Merv Tate many of the other clubs will not which will mean that we have surplus tickets which we may need to dispose of. I will be calling on you to help in getting rid of those surplus tickets. Remember we cannot rely on Bill Gates entirely and this is our chance to contribute towards the final eradication of Polio.

ECB and BB Rotarians publicised World Polio Day in Browns Bay on Tuesday.

Some polio facts
 Affects mainly children under 5.
 No cure but preventable with a vaccine
 37 Cases of Polio last year in 4 countries.
 11 Cases this year so far- only in Pakistan and Afghanistan.

Until we end polio every child is at risk.

Once polio has gone it is gone for ever!
