Julie at Challenge Camp

The camp was at Muriwai and she found interacting with the various youngsters very interesting. Her own partner was older and slow to react to new interactions. They attended the tree top adventure facility and there were a lot of positives during the week. Much smiling and laughing so it was really nice.

Bob and Judy- while in Australia Judy had a bad fall which has resulted in broken bones in her back. They are unlikely to be back for three weeks.

Rotary Fellowship Month.
