**Rangitoto trip to**  
**Cambodia**

**Dates**

22 November Golf

President Jennifer

What a pleasure it was to see District Governor Jerry and his wife Fay at this week's meeting.

They met first with the Board, and our Committee Chairs were able to fill them in on all the club's activities, and there are many.

Governor Jerry commented on the noisy and friendly buzz of the gathering just before we moved to start dinner, a sign of a healthy club he thought. He gave us a personal look at his home and whanau from the far north, a place of special spiritual significance. He also gave us an outline of his inspiration for District 9910, outlined some of the problems we face, and some ideas for solutions. And, of course, he brought his guitar and finished the evening with a waiata.

Many thanks to all who set up the room to look so inviting, and especially to Alan and Judi Alstrop for their work on the impressive welcome banner.

Some dates and ideas to think about:

The Golf Tournament of course - 22nd November. Rod needs indications of help on the day, and especially donations of prizes, for players and for the auction.

4th December - as there is no meeting on the Monday evening of the 3rd, we are meeting with Brown's Bay Rotary for their breakfast meeting. 7am, Bays Club Inc, 6 Anzac Rd, Brown's Bay.

There is an RLI training weekend on 22nd-23rd November for anyone who hasn't been to one and would be interested in learning more about the wider side of Rotary.

NGR - Next Generation Rotary - are running a "Bag Grab" for Women's Refuge. They are asking for good quality, pre-loved handbags preferably with some gifts of unused toiletries, toothbrushes, soaps and hygiene essentials inside the bag. They are collecting up to December 1st - drop off points are YMCA North Shore, Milford Rotary or email them at [nrgnorthshore@gmail.com](mailto:nrgnorthshore@gmail.com). This active club of young Rotarians has just had a successful fundraising ball raising \$10,000 for Youthline.

**Membership Development & Engagement**  
**Growing Leaders in Rotary**

- ❖ Telling our great stories passionately and all the time
- ❖ Our Projects showcase our involvement in our communities. Short term projects for quick wins. Co-partner for larger projects.
- ❖ Support young Rotarians & give them the freedom & flexibility to do it their way, in their time from their perspective to achieve our Rotary goals.
- ❖ Utilise the wisdom & experience of long-serving Rotarians who remain committed to Rotary's ideals.

RI President Ian Riseley's welcome address to the 2018 RI Convention  
 here's a Maori proverb that I'd like to share with you, that asks: What is the most important thing in the world?  
 The answer is: He tangata, he tangata, he tangata. It is the people, it is the people, it is the people.

- Hutia te rito o te harakeke. Kei hea te komako e ko
- If you remove the heart of the flax-bush. Where then will the bellbird sing.
- Ui mai ki ahau. He aha te mea nui o te Ao.
- If you are to ask me. What is the greatest gift in this World?
- Maku e ki atu. He tangata, he tangata, he tangata.
- I will reply. It is people, it is people, it is people (it is Rotary)

**Notices.**

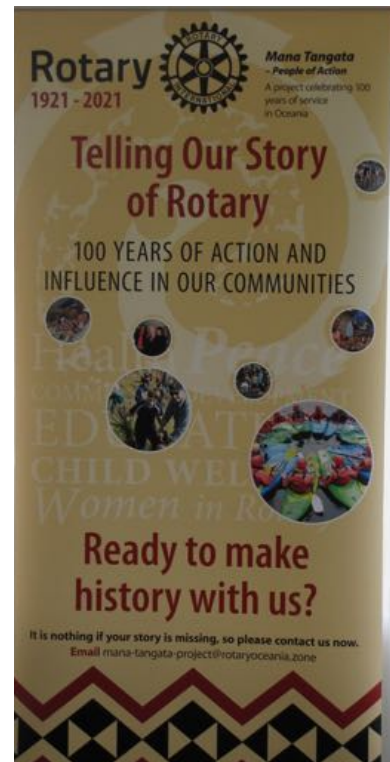

Golf – three weeks to go. Team numbers close to capacity but we still need a few more hole sponsors. Urgently needed are prizes and auction prizes. We are still trying for help from various trusts. Don't forget to return your help form for the golf.

Fellowship are organising a trip to Motutapu on Sunday 25 November. Names to Ian next week. Timor Leste project – all money needed has been donated. Thanks for all for your help.

District need your help completing a 15 minute on-line survey. Everybody needs to do it.

DG Jerry Norman said he was from Kaitaia and started life as a primary school teacher eventually retiring from the education department. He is married to Fay and has three children and eight grandchildren. Spirits Bay, Cape Reinga and the Kermadecs provide the gateway to heaven. He is proud of his Maori, Irish and English ancestry. He has 19 siblings 16 of whom have tertiary qualifications. He has helped set up a small satellite club in the North. He talked about growing the leadership and keeping members engaged. (See photos.) ECB club is well on the way to getting a Presidential Citation. We need to be more visible and articulate our stories better. North Shore Koreans have 50% of the club as Centurion's and are aiming for 100%. North Harbour club and its satellite have 7 ex Ryla delegates something every club could look at.

Here is the link to the survey from Barry Rassin, trying to get an idea of the volunteer work going on in clubs around the world. It only takes a few minutes to do and they really need all club members to fill it in. Even if you haven't done any volunteer hours please fill it in, otherwise the information they get isn't representative.

I've attached the link to the survey and I have attached the PDF with instructions. They want just the hours done in the one month prior to you filling out the form, and they want it in by 20th November, which is a shame as it will miss out on the Golf Tournament. Routine Club meetings don't count, nor do assisting at another organisation's event, so sadly that will mean the early wake up for the marathon marshalling won't count. I would imagine the Golf committee will be able to clock up a few hours of work, I certainly plan to enter the hours glued to my laptop doing Rotary and IYE (voluntary) admin work.

Thank you in advance for your effort, Warm regards Jennifer
