President Jennifer.

President Jennifer's jottings

This month is Rotary International Membership month. In this month's committee meetings we have been planning a variety of projects to make Rotary more visible in the community around us. Hopefully by doing so we will attract some membership interest. We all know we have an organisation with so much to offer, doing so much of value in our local communities and overseas, it would be great to share it with more people. Have a look around you at extended family, friends, work colleagues anyone that has potential to be a valuable Rotarian .. possibly just waiting for an invitation!

And of course there is the social side also - this month you have the opportunity to enjoy one of NZ's most innovative, tiny, theatre groups and do good at the same time - by attending the fundraiser for Romac "Mrs Krishnan's Party" on 30 the August. See attachment.

Notices.

Romac are still looking for a New Zealand operations manager and Takapuna and Henderson have organised a fundraiser on Thursday, 30 August- \$50 with the Indian Ink Company performing. More information is available from Pres Jennifer or Eventbrite.

Glenfield Rotary on Saturday, 11 August in conjunction with the police are selling safe screws for your number plates at the BP station in Northcote Road.

Parting Thought.

Never decide to do nothing just because you can only do a little. Do what you can because you will be surprised at what many little acts do for our world.

If you cannot carry out your allocated duty, it is your responsibility to arrange for someone else to do that duty				
Our Exchange Student Darius is currently with Pres. Jennifer Neads, 19 Wainoni Heights, Greenhithe. Ph 09 413 8445				

Three-minute talk – Stephen Wheeler.

He was born in England and lived in the Isle of Wight, Kurdistan, Kenya and Glasgow as his father worked for BP. He did computer science in Sussex and set up a number of businesses doing work for organisations like McLaren racing which eventually sold to Hitachi. He sailed a yacht to South America and worked in north-east Brazil. He did flight simulation for the RAF and came to New Zealand where after working for some time he got six months payout. He joined Glenfield/Northcote Rotary and was AG and has received three PHF's. He joined the East Coast Bays Rotary because he wanted to be in a club doing things. He has been quite involved with youth exchange including helping with the Tongariro Crossing weekends and earlier with the Routeburn Track part of the IYE South Island trip.
