From President Jennifer. We had a good turnout from East Coast Bays Rotary at the joint Clubs meeting at Devonport on Monday. Just like the meeting we hosted in February, everyone turned up in good spirits and the Waitemata Golf Club was humming.

Speakers for the evening were John Tamihere and Christine Fletcher, standing for Mayor and Councilor for the Auckland City Council. Michelle Boag and Matt McCarten were there in the background - a most interesting group of individuals and my first taste of the electioneering for this year's mayoral campaign.

Many topics were discussed by both candidates and in question time, ranging from the CCOs, the "dolphins" to extend Queen's Wharf, Auckland Transport, Panuku, the council budget etc. Plenty to think about in the lead up to the elections.

The most important point of the evening was made by John Tamihere - "make sure you get out and vote, even if it isn't for me". And get the whanau out voting too, lift the turnout from the 51% of the last local body election.

### Last week –Waitemata Golf Club.

Christine Fletcher said she had a long association and service with local groups in her area. She has a great interest in conservation and believes she can work with anybody. She said council spends a lot of time in workshops working all day with no questions and a very divided Council. Auckland has to work better with central government and get away from the left and right mentality to use the best of everybody's ideas.

John Tamihere said Auckland has 44% of the national GDP and we need is to stand up for our rights. We have maxed out the credit card and extra costs cannot be reclaimed by regressive extra rates. A clean-out is needed to cut down on waste and a culture change is needed in the CCO's. Certain things will be referred to local boards to make decisions. Auckland will need to re-think the legislation and work with government to make this happen. Public/ private partnerships and the Superfund should be used as in Québec and Vancouver to take the pressure off rate payers. **The important thing is to vote.**

A photo of some of the helpers at the BushGlen Reserve Working Bee on Sunday 26 May. We were able to join with a number of locals and Members of "Friends of BushGlen Reserve" and help cut up some Wattle trees that had fallen over the track and deal to some wild ginger. A big thank you to Sean and Vicky Harris, Charlotte Bell, Darius Lehmann, and Bernie Woods for their participation, hard work, and for helping lug out logs to add to Steve's firewood stocks.
