President Jennifer

This month is Rotary Foundation Month, celebrating the charitable arm of Rotary that pays for such a wide range of humanitarian projects across the globe. This charity is one of the most efficient in the world. For every dollar we put into it, nearly that whole dollar is paid out where it is needed in the world. It is probably one of the most modest in the world in terms of self promotion.

We are all able to help support it by being Centurions, just \$NZ100 secures you that title, and you know that your money goes directly to support the six areas of focus for the Foundation: Promoting peace, Fighting disease, Providing clean water and sanitation, Saving mothers and children, Supporting education and Growing local economies. If you aren't already a Centurion, give it some serious thought, for a very good cause.

Next week's speaker is PDG Sandra McKersey - an excellent speaker and a real dynamo. She gave a fascinating talk at the Conference this year about her involvement (she was the driving force) in the building of a dormitory and communal centre for orphaned boys in Bangladesh. This is an excellent meeting to bring a friend to - Sandra is an inspiring example of what can be achieved through Rotary.

Remember also that the more hands on deck at the Golf Tournament the better. The Golf Committee have put in so much hard work, they need as much support as possible from everyone in the Club.

And last but not least - please remember the RI survey, the link was in the last newsletter. It takes only 5 minutes.

Notices.

Tuesday 04 December breakfast meeting with Browns Bay. This replaces our Monday meeting and you might like to bring an unwrapped gift for the Salvation Army Christmas appeal.

Next Rotary Generation had a very successful ball raising \$10,000. Their latest project is a handbag collection with toiletries inside. They may be left with the YMCA.

Rotary survey please complete online.

Golf - prizes and auction prizes still needed. Contact Rod if you know where the North Shore Taxi banners are.

Lilly thanked those who helped buy the scooter and sends warm wishes to everybody.

Martin told us of his trip to Fiji for three months in 1979. He and his family went and spent most of their time at the Northern Club swimming pool. Their three children

attended local schools and they enjoyed a great expat life but still managed to attend a local birthday party and an Indian wedding. As locals they were able to obtain reduced prices at other resorts. Martin did find time to put in the new ICL computer!

Sean and President Jennifer presented Ciaran with his blazer for his trip to Chile and he started his thanks to us in Spanish. IYE Bonnie has just moved homes and is still in love with Belgium. Photo is of Bonnie and her family

Michelle Parkinson has taken Rangitoto students to Cambodia for 12 years and in that time supported 30 wells and built nearly 100 houses. They spent \$240,000 over the years in Cambodia. Vicky and Adam were part of this year's trip which included a visit

to a small village and a cooking lesson. The students always take pens, pencils and stationery to give to other students.

Student update-

Lilly has finished high school and is attending university at night with the aim of teaching English. She currently has a job in a kindergarten.

Tola is in her second year at university studying business management and tourism. She is in a customer service position but aims to work for an airline or resort.

Sreychom has been promoted from her customer service position to be the personal assistant to her manager.

Parting thought. A dream is just a dream. Our goal is a dream with a plan and a deadline.

Motutapu Island Walkway Trip - Sunday 25th Nov - You're Invited!

Ian Collard has offered the use of his 50ft Launch to take a group of us to Motutapu. We are limited to 20 passengers so please give your names to Bob Baird if you intend participating.

The Motutapu Walkway takes you from Islington Bay on Rangitoto Island across the causeway to Home Bay on Motutapu Island. This leisurely walk takes approx 2 hours (4.5km). Ian will drop us at Islington then motor round and meet us at Home Bay for lunch.

You will need to wear comfortable walking shoes as well as **bring own food and refreshments**. The Fellowship Committee will have a BBQ set up at Home Bay for those who would like their lunch cooked!

We will depart from the jetty at the end of Waipuna Road East at 9:00am - Sunday 25th

November. (Waipuna Road East is accessed via Finn Place which runs off Waipuna Road).

We expect to be back at the dock around 3:30pm - 4:00pm
