Club meeting
committees

It was good to see everyone at the Rothesay Bay picnic, a great way to start the year. As always there was a top quality barbecue provided by the Fellowship committee and a good spread of salads from all the members.

A special thanks to Alan Astrop for providing a variety of games to challenge us, they provided a lot of entertainment and sharpened our competitive skills - a good preparation for the year ahead.

We were pleased to host at the barbecue Kumar's friends from Essex, fresh off the plane from the UK and bearing greetings from the Rotary Club of Grays Thurrock.

We have plenty of activities lined up for this year, fundraisers, promotional activities and activities with other clubs. As always, Peter Garnett has put together a wide array of excellent speakers for our meetings.

Some dates for the diaries are:

Monday 18th February - a joint "meet and greet" meeting we are hosting at the golf club for the Area 4 and 5 clubs. A chance to meet all the others and share ideas. Guest speaker will be the local National MP Erica Stanford.

Saturday 9th March - a stand at the Cairo to Cape Day at Brown's Bay - to promote our Rotary activities. This will be similar to the stand at the Birdman Competition a year ago - fun and easy to run.

Sunday 10th March - just a few volunteers for 2-3 hours in the afternoon to assist at a 9910 stand at the Home and Garden Show at the North Shore events centre. We will be raffling an e-bike - so if you are in the market for one wait and try your luck.

Saturday 6th April - in the evening a quiz night at Pinehurst School in conjunction with the Pinehurst Rotaract Club as a joint fundraiser and an opportunity to raise our profile with the parents of the students there.

Friday 12th -Sunday 14th April - DISTRICT CONFERENCE - right in our backyard in Northcote, with a Pacific dance flavour to the Saturday evening dinner - what's not to like? Let's support DG Jerry with a great turnout.
