Club night committees

Notices.

Pinehurst barbecue one Saturday in November. We have been offered 23rd November. Clipboard next week.

Rod – golf – we need three more hole sponsors and a few more teams. Auction items in the \$300+ range are still needed.

Alistair thanked those who helped with the marathon. Please return your hi viz vest and get a thank you goody bag. Alistair was thanked for his organisation.

Chile – our exchange student Ciaran is doing well and has a good grasp of what is going on. IYE Chile are keeping a good eye on the safety of students. Daniella is okay but staying in. Yee-Hsien is being spoiled rotten in Norfolk Island and swimming every day.

Gary showed us the results of the membership survey. to which 82% had responded. He made the dry tables on the screen much more interesting. Many of the results provoked discussion and often there were differing views. 92% wanted to continue with weekly meetings and Gary will send out the full results to members

On the 18th of November the club is holding a celebration for the IYE programme at East Coast Bays over the years. Bryn Donald will be attending as a past student and will be talking about his Rickshaw adventure across India as an interesting topic.

Now the bit that I want members to do is dig out names addresses , emails and photos of past outbound and inbound students. However it is the outbounds and parents whom I wish to invite. If anyone knows of any host families outside the club and their contact details please give them to me. I can think of one, the Stone family and I think Don Hall got them as hosts. The sooner the better so I can write and invite them to come.
