2021 offers many challenges and opportunities for Rotary in New Zealand. As East Coast Bays we must take these opportunities and strengthen our club and involvement in New Zealand society.

This Rotary Year in April Rotary turns 100 in Australia and New Zealand. Warwick, Fay and I met last Wednesday night to discuss some of the many ideas that Fay asked you all to think up. There were some clear themes around celebrating, increasing our profile in the community and a local project to celebrate this.

Last week I announced that the Board met the previous week and decided that there were a lot of questions still to be answered in the Xmas Lights project. With the large quantity of resources and investment required it is only correct that we take some time to answer these questions before we proceed. Therefore we will complete a full event plan and report back by the end of August. It is sensible to suggest that we put the project on hold until this review is complete. I wish to thank Alan for all his work thus far and for bringing the great idea to the club.

Warwick will be approaching the Project committee about ideas for the 100 years so please get behind the ideas and help make them happen.

Next week we have Toastmasters from 4 local clubs visiting us to tell us about their organisation.

Check out the Programme through to the end of December. If you know of any great speaker let Therese know so that she can book them.

Breaking News just heard from Lynette that **Myrna Carter**, wife of the late Roger Carter who was one of our charter members, passed away a few days ago.
