I want to call out the 100 years of Rotary in NZ and Australia in 2021 there will be a number of celebrations happening over this time in June & July 2021.

There are also a couple of Projects that are tied to this.

- Rotary 100 Forests of Peace and Remembrance which is tied to Trees Trees Trees and the Governments 1 BN trees project of which Grants have been allocated to Rotary Projects.
- Every Child a future is the 100 project to enable Vaccination of children across the pacific for HPV (to protect against Cervical Cancer), Rotavirus (to protect against severe diarrhoea) & PCV Pneumococcal Conjugate. www.everychildafuture.com

Last week via zoom our exchange student from Switzerland **Darius** gave us a rundown on what he has been doing at home. Not very much but he has been doing some biking and he played one game of rugby before lockdown. It is only a small competition as there are not many teams in Switzerland. They now have less than 100 new covid-19 cases per day and they are starting to open shops. School reopens on 8 June. His hair was somewhat longer than he had when he was in New Zealand.

16 May Club leaders training day. There are many sessions to choose from -see attachment.

Next meeting Alan will tell us about a project he has for around Christmas time.

Our exchange student in Taiwan Natasha continues to go to school. She is the only one of the overseas exchange students able to do so.

Orewa are running an online quiz night on Friday nights.

This month's Rotary District 9910 area of focus is Youth Services.
Next Meeting; 11 May At 7pm via Zoom.
Introduction, notices, farewell speech from Yee-Hsien before he returns to Taiwan.
