 Committees

Dates

27 July Interschool debate.
 17 August
 DG's Visit Joint meeting Takapuna North at Milford Cruising Club

This week we start with trialling doing our standard first of the month meeting as Committee meeting by zoom. This meeting should be around planning for the next 3-6 months and allocating tasks or roles to each of your committee members.

Note the Direct Debit for this month will be reduced to \$85 so if any of you pay by Automatic Payment you should amend your payment.

One of the key tasks of the Committee Chairs is to agree with the ECB strategic plan. Therefore the Chairs will be covering off the draft plan activities and making sure these are covered or highlighting things that won't be done in 2020/21.

Each of the Committee Chairs will be in contact with their team with zoom links and arrangements for the timing of the individual meeting. As individuals you should just need the link to attend. President Sean

There were good turnouts for the Abilities collection and the William Gamble bush clearance. 6 Rotarians, 25 scouts and a few locals helped clear weeds and some bush. The Club dinner last week was very successful with great meals, plenty of fellowship and some business making it an excellent start to the Rotary Year. Standing in for DG Ian Peter G presented Monika with a 2nd sapphire pin for her PHF. She has worked hard over the last 3 years being a very successful IYE chair.

Alan showed us the prototype for the Christmas Lights which cost \$120. He has some volunteers and is looking for more as well as admin /supply people. The asset will grow each year.

Jenna finally gave us her Covid speech. She quoted the hospice chaplain who held regular meetings reflecting on how to cope. She said many of those contacted found receiving help difficult. 'I did not relish asking, learning to say thank you, lost my independence others did the shopping, kindness expecting

nothing in return, helping out a neighbour you have hardly met'. These were some of the comments made.

If you cannot carry out your allocated duty, it is your responsibility to arrange for someone else to do that duty				

Sean then went through the answers to the questions.

1. What is important to you and Rotary.

Small projects esp. in community, good speakers (overseas via zoom), friendship, fellowship, affordability time well spent, publicity, meet and greet.

2 Future format.

Committees on zoom, 'service' meetings in summer, mixture zoom (only if necessary?) and face to face, start time? (to attract younger members), frequency, stay weekly, monthly brain storm.

3 Ideas.

Marathon, triathlon, partnerships for big events and with groups like hospice, conservation (likely dropped because of covid), Target Rd School (garden, court cover, district grant, link Takapuna North), Duck Race, Jaffa Race, midwinter swim, Christmas trees, sand sculpture, gift wrapping, fill food parcels, foodbanks, schools- what do they need, prison, youth, beach/waterways clean up, elderly assistance, maternity projects, benefactors, bequests.
