There was some welcome publicity on ECB Facebook page of the club and district's involvement with providing a well for a village in Vanuatu.

**DG Ian** thanked the club for being his base club while in Auckland. He thanked us for the welcoming banner as it reminded him of visits to clubs in Korea. He was born in Henderson and lived in Kelston and Mount Albert. After his family moved to Norfolk Island he boarded to finish his education at Mt Albert Grammar.

He was only able to return to his family at Christmas. He delivered newspapers and milk and worked in a grocery store on Sundays. He moved to Norfolk for a couple of years but then had the chance of a job at a Four Square store in NZ with a staff development program. When the store was sold he relocated to Milford becoming manager for three years. During that time he married Jasmine and they moved to Norfolk Island in 1985.

He joined Rotary the following year and has had every position in the club including being President five times. He then showed us an abridged version of the RI President’s speech. His main message was to grow membership because we could achieve more and to do this we may have to have new models of membership and new clubs. We need to make Rotary more user friendly for

families so they are more involved and part of Rotary. Rotary leadership should not be at the cost of business jobs and we must remove the barriers we have built. We need to change the culture. Rotary allows us to connect with each other and other people.

’ Rotary connects the world’.

DG Ian likes our Fellowship and our efforts to increase membership. He reminded us of the Conference in Vanuatu 23-26 April 2020 and convention in Honolulu. PG Jerry then presented citation trophies to the only two clubs to complete. DGE Elaine accepted the Westhaven award and PE Sean the ECB award. See photo.
