06 July Midwinter /Change over- Dinner

Beakers Banter !!

Well wasn't it nice to be back together ! I noticed a lovely vibe in the club after being locked up for 8 weeks.

We all had a lot of time to think differently and are brimming with this pent up energy. We went into lock down in the warmth no rain and returned as the winter chills and rain has returned.

While the world continues to be challenged by the Covid19 we have come through the first part of the plan.

With Bob Baird's passing last week it was nice to reflect on some stories and to talk about the mana that Bob was held in by our members. He was the quiet achiever who just got on and got the job done. Over his many years of rotary service he had a passion to improve literacy. He was on the District Literacy committee and was chair for a number of years.

Bob was originally a Rotarian at Panmure club in 1976 before moving to the Bays and joining ECB in 1988. For a number of years Bob was Principal of Torbay Primary. He was President of ECBs in 1991-92 and then was the first District Governor to come from our club in 1995-96. In 2006 Bob was the leader for the Group Study exchange to West Virginia / Tennessee. His funeral is Saturday 13 June at Dils Funeral Home at Schnapper Rock Road at 3.30pm. Jim Mayo will say some words on behalf of ECB and Rotary.

Michelle Parkinson has called out asking for any helpers on Saturday packing Rat/Mouse Traps for community organisations in Auckland. 9am - 1pm easy work though you will be standing for this time, take a water bottle. 20A Peters Way , Silverdale , let Michelle know if you can go on 0274307980

Next week is our Strategy night.

Come with Ideas for where you want ECB to be in 5 years and what projects you would like us to be involved in.

***All ideas are good , no ideas is bad.***

Let's make a difference and leave a legacy.
