"Meet and Greet" meeting on Monday 11th May

Your Club Development Committee, in their strive to grow our Club membership, have organised another special event suitable for all potential new Rotarians. Instead of the normal meeting on Monday 11th May, we are once again holding a special "Meet and Greet" event at Lakehouse Arts Centre, 37 Fred Thomas Drive, Takapuna from 5.30pm to 7.30pm

Your invited guests can simply drop in during this time, or attend for the full 2 hours, its entirely up to them, partners are also being invited to attend. It's our intention that this should be an informal information evening and simply an opportunity to chat and for us to "tell our story".

This "meet and greet" event will include drinks (wine, beer, juice) and canapes will be provided for our invited guests at no charge. For attending Club members, it will be the normal cash bar, and canapes will be served during the evening instead of the normal Rotary meal.

This approach has been used very successfully by other Rotary Clubs and this Club enjoyed some success with this format last year, but it will only work if everyone is willing to help.

The Club Development Committee will send a personalised invitation to all guests (signed by President Sean) and follow this up by e-mail if necessary.

So, please put your thinking caps on and send the following information to Gary, by e-mail ASAP:-

- **Name of your new potential Rotarian**
- **Physical address where their personalised invitation can be posted.**
- **E-mail address for follow-up (if necessary)**
- **Telephone number (just in case)**

I'm asking that all current members send through *at least 2* names. Without your help, this event simply won't work. Any questions, please contact Gary. Club Development Director.
