By Friday. Text please

This month's Rotary District 9910 area of focus is Membership and Extension

**Next Meeting;**

**17 Aug**

**6 for 6.30**

DG's Visit. Joint meeting with Takapuna North at Milford Cruising Club.

**Apologies or extra numbers to Lynette by Friday please.**

**Covid update re postponement still to be made.**

From President Sean.

Our little bubble burst late last night. With the jump back to Level 3 we are all now confined to our homes, whether it stays in level 3 for some time will be decided sometime Friday. My pick is we will remain in Level 3 for at least another week once they have continued tracing of the cases. That said we have all got a little complacent in all we do and following this scare we will need to build hand sanitizers and social distancing as standard.

Next week we are down for a joint meeting at Milford Cruising Club. It appears a physical DG meeting seems very unlikely next Monday and the alternative will be a Zoom meeting. Once we know the outcome, I will let you know. The format of the meeting is different from past DG visits with the focus being on Questions and Answers. Therefore could you all watch the DG's Video below and send me some questions for the night.

<http://www.rotarydistrict9910.org.nz/2020/GovernorMessage.mp4>

Last Monday's meeting with Toastmasters showed us areas where Toastmasters can help us but also opens up opportunities to involve them in volunteering at our projects. The key to this is for both organisations to develop this partnership and to make it work for both organisations.

Hopefully see you on Monday physically or on Zoom .

**Anne O'Sullivan** the widow of foundation member Des died 9 August. She was a much loved member of our Rotary Community.

**Toastmasters.** We learnt about the history of Toastmasters starting with concern about public speaking and the first Club being formed in California in 1924 followed 2 years later by a second club. There was good growth from then on and by 1942

they had 38 clubs and a training book. A new system was initiated in 1969 and in 2011 the brand was upgraded. The current system called Pathways was started in 2018. New Zealand started in 1962 and now they have so many they have formed two regions.

If you go online and look for Toastmasters you may get "disasters" while Rotary is considered by some people as 'white dudes doing things'.

Toastmasters is about teaching people systems, techniques and speech structure. Also, persuasive speech is taught and the importance of looking at the camera not notes and making eye contact. Confidence in impromptu speaking and learning leadership and organisational skills are fostered. Performance is improved by mentoring and practice. There are now courses on their website.

What happens at a meeting? The President opens the meeting and everybody has a different role. There are four main roles- timer, counter, grammarian and evaluator. They have prepared speeches but also table topics where you are not prepared but have to talk about the topic.

Their demographics are wider age wise and more diverse than Rotary. There is no teaching as they evaluate each other.

*Coming together is the beginning. Keeping together is progress. Working together is success. Henry Ford.*

**DAY 1**

Saturday, 19 September 11.30am - 1.00pm

11.30am - 11.45am
