The Club normally meets Monday at Pupuke Golf Club, 231 East Coast Rd, Mairangi Bay www.ecbrotrary.co.nz

Next Monday's meeting.

Gary will be presenting the results of the Club Satisfaction survey that was carried out in the last Rotary year and he will share with members the suggestions that were made.

Opportunity will be given for open discussion on how best to drive the Club forward and President Elect Sean will also be co-presenter.

This is an opportunity to share your thoughts and listen to initiatives currently being considered.

On the 18th of November the club is holding a celebration for the IYE programme at East Coast Bays over the years. Bryn Donald will be attending as a past student and will be talking about his Rickshaw adventure across India as an interesting topic.

Now the bit that I want members to do is dig out names addresses , emails and photos of past outbound and inbound students. However it is the outbounds and parents whom I wish to invite. If anyone knows of any host families outside the club and their contact details please give them to me. I can think of one, the Stone family and I think Don Hall got them as hosts. The sooner the better so I can write and invite them to come.

This month's Rotary District 9910 area of focus is Economic and Community Development

Next meeting 5.30 for 6 pm 21 October

Rod requires availability forms for the golf to be filled in. We need eight more teams and six hole sponsors and a wine contact for prizes. Alan and Eric are away so help with signs would be appreciated.

Yee-Hsien

said he had enjoyed the Marae weekend where he had learnt Maori songs and dances and took part in waka ama. It was the first time he had been in the sea and he said that the food was closer to Asian food. He is off to Norfolk Island with DG Ian for two weeks.

Leah Harris told us about her RANZE experience. She went to a small New South Wales country town called Muswellbrook, which had a drug problem so she could only go to town with an adult. She went to a small Catholic school of 800 in Aberdeen nearby. She got on well with her host family and her host mum but also had another mum - an older sister. The youngest one Charlie will be her friend for life. She and Charlotte visited an opal mine and some mountains which made a change from the brown grass. They also visited a farm near Coffs Harbour. The Kiwi exchange students went on safari to the Blue Mountains for a week including some time in Sydney. She visited gardens in the Hunter Valley and in particular liked the Storybook Garden. She had seen some interesting things and made friends for life. She thanked Rotary for the experience- it was very worthwhile.
