Vanuatu Conference
Cancelled

TGIF 27 March
Long Bay Café
5.30 on.

On Monday night it was great to be able to induct Lucy into the club. She brings important skills that will help the Golf Committee and help with us to increase our fundraising efforts.

Welcome to East Coast Bays Lucy.

I look back on the world last week and I see how fast things are changing. Panic and hysteria are high. I walked into work on Monday to the decision, where practical, all teams were to work from home. It is great that I am able to do this and that IAG moved quickly but this doesn't help those businesses who rely on the walk-in business. Support your local businesses.

Jennifer on Monday gave us a great impromptu speech on Covid 19 and what we can do to defeat it or slow and damp down the bubble.

- Wash your hands with soap and water often
- Hands away from your face
- Keep your space no shaking hands , "the west coast wave is the new way....."
- If you are sick - stay away!!!

Following this the Board discussed that the Monday night meetings are to continue for the future until there a change in incidence with the Virus. I believe isolating ourselves doesn't help our mental health and trying to act normally is very important.

However we are aware of members who are concerned and have existing medical conditions. If you don't feel comfortable with attending please put in your apologies. I have asked Stephen Wheeler to see what we need to do to hold our meetings remotely if the trend continues. I will be in contact later with instructions and check that members will be able to handle this.

Just today the District Conference has been cancelled in Vanuatu see the attached notice.

Next week hopefully Ciaran will be at the club telling us about his year in Chile. Regards Beaker

Notices

Greetings All. Due to ongoing concerns and the unknown nature of the current outbreak of COVID -19 (Coronavirus) we have made the very difficult decision to cancel the District Conference in Vanuatu. Our thoughts are with all of those who have worked so hard to prepare for this conference, which will particularly have a direct impact on our fellow Rotarians in Vanuatu and especially the Port Vila club. Further information attached.

Rotarians who have registered for the conference will be contacted shortly by email with advice on the next steps.

Kind regards **IAN KIERNAN Governor 2019 – 2020**

Rotary District 9910
