28 Rotarians from our club and Takapuna North enjoyed a Zoom meeting with DG Elaine. It started with breakout groups— small groups of six or seven. These were very interesting as you met some different people and were able to find out what they were continuing to do or doing in lock down.

Notices.

Golf day 29 October – need prizes, players and sponsors. Environmental clean-up 20 September – still on with a reserve day in October if needed. It is likely to be in the Westhaven area and involve people from Hobsonville Point. Trees for survival planting day postponed. The trees will need to be planted very soon otherwise they will not survive. Takapuna North said their major fundraiser "A road trip to Martinborough" is coming up soon.

DG Elaine's video had been seen by members during the week and she answered questions relating to that. A one page annual plan is on the district directory and can be shared to clubs. The five-year plan is currently being updated starting with the membership part and is available through My Rotary. In answer to a question about the length of operation of the new satellite clubs it was pleasing to find that all are still operating although some with lower numbers than when they started. Hillsborough and Browns Bay are hoping to set up satellite clubs. Trees trees trees- now called Rotary Peace, Remembrance and Community Forests Trust has some government funding and is linking up with conservation groups. The main contact is in Wellington district 9940. richard.norman@vuw.ac.nz
