Dear Rotarians, Many of you would remember Karim Rostami, an inspirational speaker at our District Conference in April this year. Karim is an Afghan refugee, Polio Survivor and now proud New Zealand citizen. Karim has a history of challenging himself in physical sports endeavours to raise funds for charity. This year in December he plans to compete in the Taupo Iron Man event to raise funds for our Rotary End Polio campaign. He has launched a Give a little page to raise funds and I urge all clubs to support Karim in his endeavours.

13 sacks of rubbish were picked up by ECB Rotarians and friends at Moire Park. A boat, tyre and much plastic was collected. Unfortunately as a membership event it was not successful.

PP Keith is in charge next week.

Jenna told us about her trip to Christchurch for the Zone 8 Conference which had plenty of Australians present. District 9910 once again received a trophy for donating to RI. They talked about regeneration, the earthquake, mental health and the Mosque attacks. A fund and was set up to help youth from the Mosques to get into sport it as many of them would not leave their houses after the attacks.

Bernie told us about an international project in Vanuatu for oral health linking up with their Ministry of Health and the Presbyterian Church using some funds from Foundation.

A visit to Murray's Bay Bowling Club is planned for Sunday, 23 Feb. next year at 5 PM. Pinehurst Interact is hoping to keep some members from this year and draw in new ones next year.

Thank you letters were received from Inner Wheel for help with the baby bags and also for our donation to polio plus.

AGM's.

Trust. In her 11th report Carol said our main source of funds continued to be the Golf Day with some smaller fundraisers and some donations to ex IYE students(which were then sent on). We have done well to continue supporting our many projects including over \$20,000 to the Well Foundation for medical equipment without dipping too much into reserves. We made a small profit of just under \$3000 which was mostly interest received on our investments. She thanked Steve and Lynette in particular as well is the other trustees. Lynette explained why we have to have separate club and trust accounts. The trust uses last year's income to fund this year's projects. Two trustees retire each year. Carol and Doug were re-elected to the two vacant positions.

Club. Robyn and Jennifer sent their apologies.

Sean read us the report from Pres Jennifer. She had very quickly found that there was more to being President than just running the meetings. She was very pleased with the support she had received from members of the board in particular. She thanked them for their depth of experience. The major fund raiser was the Golf Day. Thanks must go to the support of North Shore Taxis, Ryman Health, other sponsors and of course Rod and his team. The support of the Club was crucial. A particular joy was presenting three PHFs to the medical team on Great Barrier Island. In April Murray Allison MC'd a successful quiz night for the club and Pinehurst Interact. Also successful were the North Shore Cluster meeting at our club in February and the Meet and Greet run by Gary and the club Development Team. This resulted in a number of new members. The club accounts show a small loss of \$200 so we do need to marshalling and other small fundraisers.

TGIF 11/10.

Christmas function at Mc Hugh's Cheltenham.

It is not about being the best. It is about being better than you were yesterday.

Here are some photos from Sunday. Our inaugural meeting of the Hobsonville/Greenhithe/Whenuapai Satellite Club in conjunction with Keep NZ Clean. Note the mud in this photo--
