Well as I have taken a few days off to explore our central North Island, it made me realise how lucky we are. With COVID cases rising rapidly in India and with their death rate we are very lucky we have been able to keep COVID out. Like most of us we have tried to help out our Tourism industry as many small businesses employ locals. On Sunday before we headed off Martin, Vicky, Warren and I attended the ANZAC parade in Browns Bay and laid a wreath with President Derek from Browns Bay. I was amazed at the number of people attending. recently I have for a number of years with the scouts attended Greenhithe's much smaller commemoration.

Next week is committees I ask that all directors check what they haven't spent and finalise any remaining plans for this Rotary year.

In a few weeks on the 24 May Ken Pemberton is coming to the club to run a Quiz for us. Here is an opportunity to invite friends or prospects to the club. Please get thinking about who you can invite.

See you all on committees on zoom next Monday.

Regards Sean.

In April Lucy told us about her virtual visit to SPPEDES. She was proud of what ECB does.

humanitarian ideas to expand our reach and we need to rebrand our image, tell our story and use social media to show ourselves as people of action. Rotary Lincoln had increased their membership and presence markedly in the last few years. Relationships and balance of overseas and local were important.

Guest Speaker Chris Luxton said- we need to adapt, why? not what, step out of your comfort zone, keep core values, manage one's own time.

Lucy found the zoom conference very helpful.

Invitation to attend the Rotary Club of Wellington Centennial Dinner, Monday 24 May, 2021, 5.30pm-10pm, Banquet Hall, Parliament

We would be delighted if you and other members of your district could join us at the celebratory Rotary Club of Wellington centennial dinner on Monday May 24, 2021 (5:30-10pm), at Parliament in Wellington.

In June this year, our Rotary club celebrates its centenary, and wishes to mark this significant milestone with a dinner at Parliament, hosted by the Hon. Grant Robertson, Deputy Prime Minister and Honorary Member of the Rotary Club of Wellington. Tickets for the event are available at \$120.00pp by following this [link](https://eventspronto.co.nz/rotarycentennial) to Event Pronto (eventspronto.co.nz/rotarycentennial).

We are especially honoured to have four superb speakers, the Hon. Grant Robertson, Deputy Prime Minister, the Hon Justice Stephen Kós, President, Court of Appeal, Shalini Guleria, Eureka Past Winner, and a "Mystery Speaker", with entertainment being provided by Jennifer Little.

Our club is the oldest in New Zealand and we are joining the Rotary Clubs of Auckland, Sydney and Melbourne and UNICEF in our centennial project, Rotary Give Every Child a Future by vaccinating 100,000 children across nine Pacific countries (Cook Islands, Kiribati, Nauru, Niue, Samoa, Tokelau, Tonga, Tuvalu, and Vanuatu) to protect them from rotavirus, pneumococcal disease, and cervical cancer.

Throughout its history the club has instigated some significant leading-edge community programmes. Currently, we are engaged in planting over 100,000 trees in Greater Wellington for the betterment of the community and a positive step towards addressing climate change. We are doing so in partnership with Conservation Volunteers New Zealand and others. Nationally our club has initiated the Rotary Peace, Remembrance, and Community Forestry Trust dedicated to planting one million trees throughout New Zealand over the next three years.

We support social enterprise with our Eureka Programme in conjunction with Akina Foundation. You may also be interested to know our club is the first Rotary Club globally to be CarbonZero.

We hope you are able to join us and would appreciate your securing your ticket **by 13 May 2021**. You are welcome to bring others with you.
