Next Monday I will be sharing a video created by Grant Smith District Governor Elect on a working group being set up to look at Rotary on the Shore- a blank canvas to say what is the plan for Rotary on the shore in the future. There are no preconceived ideas of what will be suggested nor is there a compulsion on ECB to implement any changes.

Having 13 and recently 12 clubs on the Shore is really too many to get the benefit of numbers and covering the needs of our community. Too many of our clubs are struggling, including ECB, on lower member numbers limiting the standard of the speakers and events we can run. You may have read that Northcote recently merged with Glenfield.

Last week Fay and Lucy presented the new fundraising opportunity for the new year. We have some other ideas to look into but want this pool of ideas coming through so we flex to the next idea. It was very pleasing to see the number of people who have stepped up to help out.

Once again big thanks to Rod and the team for a successful Golf Tournament.

Beachclean up on the 15th at Hobsonville. Please let me or Jenna know if you are available 9.30-12 .30

For those going to Miranda on Sunday enjoy the day out. President Sean.

The Christmas function is at the Brigham in Hobsonville, Monday 14th December 6.30pm. \$50pp includes welcome drink and wine on the table.

Club celebrations, Successful clubs, Tips on reducing waste, Photos from Polio event in Auckland and more.....!
 Enjoy the read.....

On Monday President Sean led a discussion about zoom meetings – some were in favour because of cost and some preferred face-to-face meetings.

Polio plus – thanks to Jenna and a few others who attended the film evening.

Alistair said the Marathon had produced \$800 for the club and he thanked all those Rotarians and friends who acted as marshals.

Rod said he was very pleased with the golf day as there was some doubt months ago if it would ever go ahead. 30 teams, 17 hole sponsors other sponsors and those who donated money or worked on the day helped make it a success. He particularly thanked his team and others for their hard work and support. One grant has been received and there is a chance of further donations from a trust.

The Miranda trip is still on. Meet at 11 am or contact Jennifer if you wish to carpool. Lucy and Fay introduced a new beach project which the Board has supported and it will occur in March next year.
