From Monika

I spoke with Michelle Parkinson recently for an update on both our past students and the proposed new student, Ronnika. Our three previous students are all well in spite of the challenging times. Michelle commented that due to their experience in NZ and their education, they are now in a economic/social level above those dependent on tourism and able to look after themselves. Sreychem, the older sister of Sreychom and Tola, had a second child a few weeks ago. Chom and Tola are devoted to their little niece and nephew. Both girls are doing well. Lily has a new job in a new school (English language teacher) and is continuing her studies in the evening.

In regard to Ronnika, Michelle anticipates 2022 would be the best year for her to come to NZ, if all other factors are in place (travel, IYE programme, etc). Ronnika will be 17 in 2022. Michelle will use the intervening time to observe Ronnika's development, level of English, etc and advise us next year whether she is a suitable candidate
