Every week is a big juggle for me- last week for IAG Board meeting, our own Club Board, having a new member of the Harris Clan (A Greyhound rehomed like a new baby in the home).

I have been thinking about how you are perceived and how important I think it is to treat everyone as you would like to be treated. It's about turning up and hoping to make a difference to another person, to an outcome. This is why we are in Rotary- to make a difference.

The Board last week was in many ways more enjoyable than the work board as we had the opportunity to support a number of charities and worthy individuals. It was great for Alistair and his team to put forward donating another \$600 for an ERK Emergency Response Kit, \$760 Supporting Practical Solids for Plunket and from the Club funds supporting \$3000 for the Harbour Hospice for their rebuild and \$1000 to Voyage for Voyce supporting Youth in Foster care to participate in youth development abroad the Spirit of New Zealand \$1000 for ROMAC.

Only last week a number of the club helped with the Salvation Army appeal, Vicky and I helped out at Mairangi Bay Countdown on Saturday morning giving up a couple of hours of my time to others like Alistair , Kumar, Lucy , Fay and Dave. Peter and Fay gave up a whole week of their time (not to count the organising time before) to run RYLA out at Muriwai. RYLA is one of Rotary's Flag Ship programmes that must carry on but need dedicated people like Peter and Fay. Years ago clubs used to run it and I remember in my first year at North Shore City with Beverley and Lynette a small club like that was able to run it one year.

We have a SGM set down for the 31 May amongst other things we will talk about the board for next year and the broad goals I would like to take in July 21 and onwards. It's important that as we enter into the next Rotary year we are all lined up and aware of what we can offer the club to maximise our achievements.

Next week is the ECB Quiz – 24th of May teams of 5-6 Friends, Family and Prospects Gold Coin Donation.

100 Years of Rotary – Centennial Celebration

Aotea Centre 26 June 2021.

Annalise proudly showed 14 ECB Rotarians around Shore Junction. The building is a refurbishment of the old Takapuna RSA at a cost of \$3 million. Most of the furnishings and equipment were provided by donations. The facility was purpose built for young people aged 13 to 24 and opens 10 till 6pm Monday to Friday and 10-2pm Saturday. The setup is mostly Open Plan with many alcoves for painting, music, meetings, computing and spaces for working or reading. What a great space it is and we were left wishing we were that young again.

Volunteers are welcome for the Trees For Survival Planting Day scheduled for Thursday 24th June 2021 at 17 Lower Jeff's Road in Dairy Flat (really close to the

last site on Blackbridge Road). We will be joining students, parents and Teacher Matt Walker from Murrays Bay Primary School, and Auckland Council staff / contractors. If you are interested please let Steve Goeldner know so he can give you further details.
