Youth Service Month

Morgan's message.

This Sunday is "District Training Assembly" or "Leader-Elect Training Session (LETS)" and you will be pleased to know that this club is going to be well represented. We have Peter Garnett and Stephen Wheeler presenting, and Kumar (club Secretary) and me also in attendance. Bernie and Alistair will also be attending the afternoon sessions.

New for this 2017-2018 Rotary year is the requirement that two club members must have attended recognised Foundation training sessions in order for the Club to "qualify" to be able to apply for District grants. Incoming President Keith has attended the Foundation training at his President Elect training and I will attend the Foundation session on Sunday.

Next Monday we have our own International Exchange Student Lily presenting to us. Whilst this is not a formal partners' night, please feel free to invite guests along. Just let Steve know in the usual fashion for catering purposes.

Don't forget that on Monday 15th May we are visiting Devonport Rotary Club. We will both have our respective Rotary Youth Leadership Award (RYLA) candidates present and they will be telling us about their recent experiences on the course. This is a 6.00pm for 6.30pm start so you will have a little more time to get to Devonport for this meeting. Please put this in your diaries now.

President Gary.

Monica's three-minute talk.

She has had a change of vocation and is now a teacher of English as a second language. Her class of Chinese and Koreans was very keen to discuss who are now 'pakeha' and immigration to New Zealand. Where do 'I' fit in to 21st-century New Zealand? She is very much enjoying her new role.

From PG Lindsay

At the recent D9910 I gave an update on the Projects in Vanuatu, I would have liked more time to advise that we are wanting to give All Rotary Clubs the opportunity to be involved in these Projects on a hands on basis, and to invite potential members to be involved as well.

Use the opportunity as a membership tool

All Volunteers will be responsible for all their costs for Travel / Food and Accommodation, but the assisting Rotary Club in Vanuatu will organise the on Island content for all Travellers.

We have several Projects underway and coming up, one Project in particular is to assist with the painting of the Hospital Floor in the Children's Ward in the Santo Hospital.

The Painting is expected to be done in early to mid June, this may change slightly as many things do in Vanuatu, but a more confirmed date will be advised by the Construction Team and the Santo Rotary Club.

We need about 4 Persons for this Project, Please advise your Members of this opportunity, and if interested contact me on ford.rotary@optusnet.com.au asap.

If any of your Members would like to be added to our Project volunteers list for Vanuatu Projects, Please also advise so as we can include on a mail out of information regards upcoming future Projects

Regards

Lindsay Ford
