Morgan's message.

Next Monday our guest speaker is District Governor Nominee Jerry Norman. This is an informal "getting to know you" visit, but as always, partners and guests are most welcome to attend. Just make sure you let Steve know for catering purposes.

Jerry has been a member the Rotary Club of North Harbour since 1989 and whilst his career has been wide and varied, he has most recently (since November 2015) been a trustee on the Spirit of Adventure Trust and from 2011 he has been a member of the advisory board to senior management for the Waitemata Policing District of Waitakere, Rodney and the North Shore. Here his key role is giving realistic cultural advice and supporting the police in the implementation of their Maori strategy.

At the President's Cluster meeting this morning we heard from Carol of Hospice North Shore. She thanked all Rotary Clubs that helped out at the recent Coastal Challenge. Despite less than ideal weather, this latest event has proven to be the most successful to date, raising \$47,000 for Hospice.

I would also like to draw your attention to the District Quiz which takes place in Matakana on Saturday 13<sup>th</sup> May. This Club has a long tradition of entering a team and bringing home some cash prizes. Please consider this event and let me know at the next Rotary meeting if you are available. See attachment.

Finally, one last date for your diaries, particularly for Keith's new team and any of our newer members. On Sunday 7<sup>th</sup> May at Waitakere College, is this years District Training Assembly. This is a training day principally designed for club members taking on leadership roles, and as such is a must for incoming Presidents, Secretaries, Treasurers, Foundation/International Directors and Club Development Directors. It is also very useful for any newer club members who would like to learn more about how Rotary works. Please let me know if you are interested to attend.

In closing just have a look at the District Governor's Newsletter (link below), (we feature on page 4) and also the article in the latest edition of the Mairangi Bay Village magazine (pdf file attached).
