Graham Rice told us about his change of lifestyle. In Albany they had fruit trees, garden and DIY. They decided they needed to do other things and try apartment living. Nothing much appealed until they found Kensington Park in Orewa which is a planned residential neighbourhood of 40 acres. It is a bit far to travel but they love it.

AGM

Pres Caroline said 2015 – 16 was a great year in which we assisted DG Peter. She thanked Carol and her team for their efforts at District Conference. PHFs were given to those who had helped with Romac. Local contacts have been made with the Mairangi Bay Business Association and continue with Bush Glen. The Golf day was a record and enabled us to give \$17,000 to the Well Foundation for iPads. A successful new initiative was the “Give a little” campaign for Max’s wheelchair. She believed we need to be more visible on Facebook and economic community. The club received the Presidential Citation and she thanked each and every one in the club. Rotary is a gift to the world.

Treasurer then presented the annual accounts in a new format. After discussion the accounts were approved.

PE Keith then identified his team for next year.

There was no nomination for President Nominee 2018-19.

Christmas function –we are contemplating carpooling as an alternative to a bus. If members prefer a bus, can they email Bob by return and let him know if that is their preferred option as we will make a decision closer to the date if this is viable. The cost is likely to be around \$15/head depending on the number travelling.
