Cambodia Update –
Michelle Parkinson

Lily Lay- Introduction

There are two excerpts from our previous bulletin in the Governor's newsletter see below.

Rembrandt Remastered is well worth seeing.

Governor's Newsletter - Issue 7.

Morgan's message

8 February 2017

On Monday we will hear from our new Cambodian International Youth Exchange (IYE) student Lily Lay and Michele Parkinson from Rangitoto College who will give us an update on the work their students are doing in Cambodia. I find it amazing that as Rotarians based here on the North Shore of Auckland we can reach out into the lives of young people such as Lily, who comes all the way from Phenom Penn in Cambodia. As you know this is a joint venture with Rangitoto College, and it allows us all to create links with Cambodia which are mutually beneficial. I believe all this fits very well when you consider that February is "Peace and Conflict Prevention/Resolution" month on the Rotary calendar.

Monday night is also the first Board meeting for this new calendar year and as a Club we once again start to ramp up activity as we head into the second half of the Rotary year. So I challenge you all to get involved and think about how you can make a difference. I'm always open to new ideas and suggestions for improvement so just talk to me. I'm also here to help and assist if anyone feels they are not being sufficiently utilised in their current role within the Club.

Look forward to seeing you all on Monday. President Gary

Devonport Rotary Club cordially invites all 9910 club members, partners and families to come to Devonport next **Sunday 12 Feb from 4pm** and enjoy the amazing **Rembrandt Remastered** exhibition. You will save thousands of dollars on airfares to foreign countries and gallery admissions! because you will see up close 50 of Rembrandt's most famous works that are on display in one venue at the Depot Artspace in Clarence Street, Devonport.

The Rembrandt Remastered exhibition features digitally processed full size reproductions of the master's works (including *The Night Watch*) carefully treated to correct the effects of aging so they look exactly as they did when he applied the finishing brush strokes.
