Morgan's message.

Next Saturday the 11th of March will be a big day for our Club. Not only do we have Peter Garnett and Bernie helping at 6am in the morning with the North Shore Coastal Challenge but we also have a stand at the "Cairo to Cape Town" festival in Browns Bay from 9am till 4pm.

A very big "thank you" to all those giving their time. Our Club's presence at the "Cairo to Cape Town" event should be an excellent way to promote Rotary, the Rotary Foundation and our Club. We are of course hoping that this will also generate some prospective new members. We are also partnering with Browns Bay Club and English Language Partners (Mabel Msopero and her team), for a truly community oriented event. You may remember Mabel was our guest speaker at our Club meeting on 29th of August.

I would also like to say a very big "thank you" to all those who recently walked the streets of Mairangi Bay delivering magazines as a Club fundraiser. A job like this becomes easier each time we do it as we get to know the routes and how long to allow for delivery. In addition this is very much a case of "many hands make light work".

President Gary

Please remember to vote for the Well foundation! CEO Andrew is very appreciative of our efforts. Each **daily** vote is worth \$5. Click on link below. Watch as \$5 added to the total.

Alan told us about his new mini putt golf enterprise in Rotorua. He is passionate about it and said they designed and built the course in five months. He has had very good feedback and some very good months. February was far too hot! He expects to do much better in winter. He is currently looking at a new project in Botany Downs.
