Christmas Dinner is at McHugh's Cheltenham

Morgan's message

As a result of the Golf Club's AGM, we re-located last Monday's meeting to Chand restaurant in Rothesay Bay. No less than 46 members, partners and guests attended this "alternative" meeting, which by all accounts was very successful. I even heard Warwick announce that he was going home happy as he had a full tummy - a strong recommendation from Warwick indeed!

We also used this event to raise funds for our incoming Cambodian IYE student, Lily Lay who arrives in January and roughly \$320 has been raised. Not bad for a fun night out and a full tummy to boot. So a very big "well done" to Jim Mayo and the Fellowship Committee for an excellent night out.

Next Monday we farewell Tola and she will be giving us her farewell speech. In celebration we are having a Cambodian themed menu. Caroline will be running the show in my absence, so please accept my apologies in advance. I will be at the airport with my daughter Gemma who's off to Ecuador and the Galapagos Islands for 4 weeks.

A week on Monday, being the 19th December is, of course, our Christmas meeting at McHugh's restaurant at Cheltenham Beach. I look forward to seeing you all (in your most festive spirit) on this day. Don't forget that we are car-pooling rather than hiring a bus, so make sure you talk with your fellow members who live locally and share a vehicle.

Over \$400 was raised for the club via the Pinehurst BBQ. Thanks to the club members and friends who assisted with running the BBQ.

The organizers of Kidzplay Netball at Pinehurst School recently made a number of our Rotary members aware of the present poor health of Kirsten Richards, a Teacher and Netball coach in the Torbay Community. A Give a Little page has been set up for Kirsten towards her medical costs and to provide care. The Kidzplay organizers have made a number of donations and asked if the Club or individual members might like to support this cause. The link for the page with further information is: [Kirsten Richards - Givealittle](#)
