## Morgan's Message

Well it's all hands on deck for our annual golf tournament on Thursday 17<sup>th</sup> November. This will be our Club's 16<sup>th</sup> annual "DRIVE 4 LIFE" charity golf tournament at Waitemata Golf Club, in support of the Well Foundation. We also owe much gratitude to our principal sponsor, North Shore Taxis.

Rod and the team have put together the roster for helpers on the day, so if you don't know what you're doing, just contact Rod. In addition I ask you all to keep your fingers and toes crossed for a good weather day!

Last Monday we had an open forum in regards to fundraising within the Club. I intend to follow this up with a questionnaire for you all to complete, this will hopefully enable your Board to get some clear direction on which strategy we should follow. As always, if you wish to contact directly and share your thoughts, my door is always open.

Next Monday we have our own PG Peter Garnett talking to us in his capacity as District Foundation Chairman. Please support Peter and your Club and come and have a listen, I'm sure you will be entertained.

President Gary

## Notices.

Trees for survival – see later.

5 December – Golf Club AGM so our meeting is at the Indian restaurant Rothesay Bay. This will help as a fundraiser for our new Cambodian student Lily. Licensed but BYO for \$5 corkage. Partners \$20 no extra for ECB Rotarians.

Golf – please bring any extra prizes on the day. Duties were sent out last week. There is a big field so please make sure all guests have a seat.

Peter J told us about some of his cases when he worked at Manukau Court and about his new work as a forensic accountant and insolvency specialist. He reminded us that a liquidator could claim back funds expended in the six months beforehand and in some cases up to 2 years. He mentioned a large franchised business which he believed had a flawed business model.

Pres Gary invited us to discuss major fundraising. He was asking all club members for input. The golf was very successful because it had a key sponsor, helpful recipient and a great committee. We used to have 60 members now 40+. The answer is more young members with new corporate contacts. Maybe we should join with another club for a big project or should we return to a number of small projects. A number of projects were suggested and we all need to look for opportunities.

Sherida updated us about Pinehurst. The military style buildings are being moved to make way for multipurpose all-weather courts and two new primary classrooms so they can have three classes at each year level. She intends to tell the junior prize-giving that those involved in service are much less likely to be involved in 'at risk behaviour'. 11 gold awards for Duke of Edinburgh were awarded to senior students – a record number.

**Why buy someone a goat in Africa for Christmas? Try buying them trees in New Zealand – after all, goats eat trees!**

**This year one of our Trees for Survival schools planted a wetland site in Taupaki with 300 native trees. We'd like to invite you to sponsor some of these trees as your environmental gift to a loved one this year.**

**Sponsor 10 trees at \$50 / Sponsor 20 trees at \$100**

**We will send you a magnificent handmade card with Christmas decoration outlining this sponsorship, for you to gift to someone.**
