Morgan's message

First of all my I wish all members that I haven't already seen a very Happy New Year!

Our first meeting of this Rotary year was very pleasant indeed, basking in the sunshine at Rothesay Bay and being treated to an excellent BBQ from Murray and his Fellowship Committee. A very special well done to Murray and Warwick for their culinary skills on the BBQs. The event was well attended and gets us off to a very good start for the remainder of this Rotary year.

Next Monday is Committees night and we will also be presenting the cheque to the Well Foundation. Andrew Young is coming along to receive the cheque so please do make an effort to attend and give Rod and the Golf Committee your support. Unfortunately I will be away, but President Elect Keith will take over for the evening.

Past President Caroline has decided to take an employment opportunity in Palmerston North which also affords the benefit of being close to her grandchildren. She has asked me to tell you this and to pass on her best wishes to our club members and to apologise for not being able to say 'bye for now' in person. Caroline needed to be in Palmerston North for an appointment on Tuesday of this week. This meant she had to leave Auckland on Monday so she could break up the journey in Taupo due to her knee still recovering from surgery.

Caroline has applied for leave of absence for the remainder of this Rotary year and I'm sure you will join with me in wishing her all the very best for her new endeavour. She intends to keep in touch and to attend Rotary in PN.

Just after Christmas I received an e-mail from Tola to the Club. She said *"Thank you so much for all your energy that have spent on me. I really appreciate what you have done! I really enjoyed South Island so much, it was a wonderful trip ever in my entire life. Without your help I can't see all those beautiful stuff that I never seen before. My last but not least*

word is *Thank you so much!*" We now look forward to the arrival of Lily Lay who arrives around 22nd January and Jennifer will be her counsellor.

On the subject of International Youth Exchange (IYE) students, our outbound student Nick Goeldner departed for Norway on 10th January. His counsellor is Jim Mayo who will keep us informed of his experiences. I'm sure Nick will have a ball, especially as he will be attending Sebastian's school. His first host family sounds really interesting, with the host father being a submarine captain!

President Gary
