Morgan's message

February 2017

I hope you're all enjoying this really lovely weather, it seems summer has finally arrived.

Last Monday we heard from Elaine Mead on how to use online Rotary resources. I encourage you all to ensure that you have a log-in to "MyRotary" on the RI website (the link is <https://www.rotary.org/>) but please ensure that if you are setting up an account for the first time, that you are using the same e-mail address as already loaded by your Secretary on the Rotary International database. If you are unsure of this, please check with either me or Kumar before trying to create an account.

As Elaine mentioned, one of the Club's Presidential Citation requirements this year is for at least 50% of all Club members to list their skills and interests in their My Rotary profiles and unlock them so they're visible on their public profiles. Once again, if you don't know how to do this, just ask me, Stephen or Kumar and we can all assist. It will take just 5 minutes!

A very big thank you to Elaine for showing how all this works and giving all members an insight into the wealth of information and resources now available on the Rotary portals.

Next week we have a partners' evening so remember it is 6.00pm for a 6.30pm start. We will be hearing from Chris Farrelly, Auckland City Missioner, and the challenges in the year ahead for the Mission. Please support this meeting and bring along partners and friends. If you are bringing guests please let Murray know by e-mail (just guest numbers), normal apologies to Steve by 6.00pm on Sunday.

Pres Gary

Too often we underestimate the power of touch, a smile, a kind word, a listening ear, an honest compliment or the smallest act of caring. All have the potential to turn a life around.

Thanks to the 14 members who helped the Mairangi Bay Business Association last Saturday.

Hobsonville satellite club – committee met on Monday.

Conference reminder.

Sean asked members to bring items for a hamper for the club's stall in Browns Bay on 11 March.

Our intrepid tennis team will be competing this Friday in the Browns Bay fun tournament.

Guest speaker – Elaine Mead. Elaine has been very involved in Rotary starting as a RYLA alumni then President three times and chair of Rotary committees. She worked for New Zealand Post and IBM including a spell in Perth. She sends out nearly as many emails as Steve!

Elaine told us about the 'My Rotary' system and how to set up an account. The whole system has been updated since last year but it is very important to use your name and the email address that is in the R I system. So this may not be your current address.. It is also available for alumni, honorary members and others. It is best to use Google Chrome or Firefox to log in. There is useful information about our club and the latest news as well as links to other services. It is best to do this in the morning as it is a worldwide site which gets busy in our evenings. It is a good place to see how the club is achieving its goals and to exchange ideas. We can showcase our projects but also look for help for new projects. There is a branding area helping you set up colour, size and so on. There is a reports period for club officers and it is **very important to log out.**
