**Next meeting
27 March 2017**

Trivial Pursuit Quiz

**5.30 for 6pm
Partners welcome.
\$5/\$25
Let Steve know extra
numbers.**

**Water and Sanitation
Month**

Morgan's message

Last Monday was a joint meeting with the Inner Wheel Club of East Coast Albany Bays. It was nice to see so many long standing, friendly (heaven forbid I say "old") faces and to continue the 28 year relationship that this Club has with Inner Wheel.

I would also like to thank President Gaye and her Inner Wheel club for organising our guest speaker who provided interesting and sometimes challenging views.

My own personal view is that this challenging address was at times offensive to some of us, but in true Rotary tradition we give our guest speakers due respect when at the podium.

I also believe that as Rotarians we agree to meet the Rotary Four Way Test, and in particular No. 2, "Is it fair to all concerned".

On a completely different topic, as you know our friends at the Well Foundation are currently in the race to secure funds by participating in the Trusts Million Dollar Mission, which is giving away \$1 million to a shortlist of worthy causes. Rod tells me that they have already secured \$74,000 of funding but that there is still \$250,000 up for grabs. All that needs to be done is that we all continue to vote for them on a daily basis, go to <https://www.milliondollarmission.co.nz/finalists/well-foundation/>

If the daily voting gets too much, Andrew Young from the Well Foundation tells me they can legally vote on anyone's behalf if they have your permission and you supply them your email address. Simply send an e-mail to Andrew Young at Andrew.Young@waitematadhb.govt.nz if you wish this to happen.

President Gary

The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Notices

Conference –PE Keith said the clubs response to conference was pathetic. Please reconsider! Whangarei April 21-23. Contact Keith if you are interested. President Gary showed us films about water and sanitation in Ghana and Guatemala. The club has been involved with three water projects in Vanuatu. Bernie reminded us that Romac provides free operations and accommodation for children with serious injuries. Please contact Bernie if you can help with future visiting or transport.

Inner Wheel President Gaye Pratt said they were one of the largest women's organisations in the world. There are nearly 4000 clubs in 102 countries with over 100,000 members. Started in 1924 in Manchester, the first NZ Club was formed in 1986 in Napier. They have a paid secretary in Manchester and have a conference every five years.

Past member Jane Hunter told us about her work as a community patroller. They work with the New Zealand Police and have been in existence for 25 years and have 200 patrols. They are the eyes and ears of the police from eight till 12 at night. They are the soft front at big events and festivals and are also used to diffuse and divert crime.

They often do surveillance of people of interest or places. She said offenders see the North Shore as rich people and mostly steal to order. Other issues are the rise of drug use, a new gang in Browns Bay, preloading and keeping young girls in particular safe. They are a voluntary organisation and have to raise money for the petrol for their labelled car. Patrollers are expected to do one night per month.

Hey everyone! As you may have heard already, the Rotary Interact Club at Pinehurst is encouraging all students with a few hours to spare next Saturday, to come along to the "Save Our Shores" beach clean up. Many of us might not realise how much litter, especially plastic, ends up in the ocean, every day. With a little bit of effort from everyone, we can really benefit the environment which surrounds us. So come along on the 25th of March with a group of friends, to make a significant difference to our beaches.

BEACH CLEAN UP

"A year-long study of Auckland's storm-water discharges found that each day, 28,000 pieces of litter, much of it plastic, ended up in the Waitematā Harbour." The Rotary Interact Club at Pinehurst would like to encourage students to participate in the "Save Our Shores" beach clean up, in order to be the change they wish to see in the world.

When: Saturday, 25th March, 11am-1pm
Where: Sunset Bay, Beach Haven
Bring: Water bottle, sunblock + family and friends!
