

Rotary District 9920

Website: www.rotarydistrict9920.org

1 November 2019

Dear Club President.

I am writing to update you on recent developments for the District 9920 Conference, being held from 15 to 17 May 2020.

Firstly, I am able to advise that as a result of popular requests, the Conference Committee have extended the period for Early Bird Registrations until 31st December. There is an exciting list of speakers already lined up for the conference, with full details on the website: www.districtconference9920.nz

The second reason for my letter, is to draw your attention to the special offer which is available. It will allow potential Rotarians to register and attend the Saturday business sessions of the event, for a special rate of \$75. This has been made possible by a generous donation from Rotarian John Boscowan. Registration of potential Rotary members can be done online at the website. No Rotary number or password is necessary.

I hope that your club will take advantage of this special offer while spaces are still available.

Yours in Rotary

Gary Langford
District 9920 Governor
